

NEW WAGE-PRICE CONFLICT

Truman Must Get Confirmation Of Pauley's Nomination

Ickes' Action Places Truman On Defensive

Resignation Means President Must Secure Confirmation Of Pauley

STINGING ATTACK IS MADE BY ICKES

By FRANK B. ALLEN
(U. S. S. Staff Correspondent)

WASHINGTON, Feb. 14.—President Truman faced the urgent task today of securing confirmation of Edwin W. Pauley as undersecretary of the navy to justify his leadership against the blistering attack of his resigned secretary of the interior, Harold L. Ickes.

Ickes quit in protest against Pauley's nomination and the president's defense of his choice. Ickes said he could not "stay in an administration where I'm expected to commit perjury."

He warned that the president and his administration "face ruin" unless they "drive the gnats out" of Washington.

Ickes Farewell

Ickes forced the president to seek victory by demanding in a radio speech last night that the attorney general investigate Pauley's testimony before the senate naval affairs committee to determine whether he committed perjury.

In the farewell address over an American Broadcasting Company network, Ickes bluntly charged that Pauley "was not speaking the truth" when he denied he had tried to influence government officials on the California tideland oil issue.

Thus the president must obtain confirmation of Pauley or send his party into the coming congressional elections bearing the disgrace of senate approval of the Ickes charges.

Could Withdraw Name

The president of course, can withdraw Pauley's nomination and escape the senate's judgment.

But, politicians said, he will not do that because it would be a belated admission that Ickes' charges against Pauley were correct.

Ickes meanwhile is expected shortly to take over active leadership of the CIO's Political Action Committee. It long has been rumored that

PA NEW OBSERVES

Many persons in the city and county were kept awake for several hours this morning, due to the gale that swept over the county.

The old-fashioned "funny" valentine is still on the job, Pa New is informed, as many reports are received of receipt of these traditional messengers of the day.

To promote more widespread and deeper appreciation of the state, Gov. Edward Martin has announced that Pennsylvania Week will be observed this year from September 17 to 22.

Pennsylvania Game Commission announces that the annual Beaver trapping period opens on Friday and will continue until February 29. This is the first time that the broadbills have been legal prey in all 67 counties for many years, the commission announces. Around 800 were reported to have been trapped in the state in 1945.

High winds of last night and this morning occasioned considerable minor damage in the city and county. Some trees were blown down, many limbs were broken off.

"DOPEY DICK" ON LAST VOYAGE

The two-week search for "Dopey Dick," the confused whale of San Francisco bay, ended on a high note at Alameda naval air station, when the whale bowed out on the low end of a barge-crane cable. Dick, according to crews of three carriers tied up at Pier 3 at the station, had become wedged amid piling under the pier and was badly in need of refrigeration. A Coast Guard cutter was ready to hook on to the 25-ton 80-foot whale and tow it to a place about 50 miles out at sea when the picture was taken.

Police Officer Suffers Burns

Officer Jack Thompson Severely Burned In Extinguishing Trailer Fire

BLAZING GASOLINE IGNITES CLOTHING

City Policeman Jack Thompson was severely burned at five a. m. today when a man assisting Thompson and Policeman Harry Reese to extinguish a trailer fire at 1060 Adams street, set a can of blazing gasoline and threw it in a driveway. The blazing gasoline enveloped the policeman.

Only presence of mind and Policeman Reese's assistance possibly saved Thompson from fatal burns. It was Thompson's first night back on the police force after two and one-half years service in the Navy.

According to a report at police headquarters Thompson and Reese were cruising when they noticed a trailer fire at 1060 Adams street.

PITTSBURGH IS NEAR NORMAL

Recovering From Disastrous Power Strike Blow Suffered On Tuesday

PITTSBURGH, Feb. 14.—(INS)—Pittsburgh today returned to normalcy after staggering under the blow of an electric power strike Tuesday that halted transportation and closed stores, hotels and industrial plants.

Children returned to schools after an abbreviated vacation. Hotels again were taking reservations and office buildings and department stores resumed full operations.

The city's industrial plants, already hard hit by the nation-wide steel strike, returned to production and the flow of food supplies were normal.

Suspension of the strike was announced at midnight Tuesday by George Mueller, president of the independent Duquesne Light company union, pending further negotiations. The union is asking for a 20 per cent pay increase. The company has offered seven and a half cents.

Four-State Area Swept By Storm

CHICAGO, Feb. 14.—(INS)—A driving snow storm with winds ranging up to 45 miles an hour and rapidly-falling temperatures today lashed a four-state area today.

The Chicago Weather bureau said the storm moved northeastward from Missouri, covering Illinois northward from East St. Louis, southern Wisconsin, northern Indiana and southern Michigan.

Costliest Strike In New York City Brought To End

Harbor Tugboat Strike Issues Will Be Submitted To Arbitration

SOME OF DRASTIC RULES ARE LIFTED

NEW YORK, Feb. 14.—(INS)—New York's costliest strike ended today when 3,500 striking harbor tugboat and barge men went back to work and unsettled strike issues were submitted to arbitration.

The settlement ended a 10-day harbor tie-up which brought a complete shutdown of all business activity for 13 hours Tuesday due to an acute city-wide fuel shortage. It delayed many ship sailings and seriously affected shipping from Sandy Hook, N. J., to New Haven, Conn.

Almost immediately after the settlement was announced by Mayor William O'Dwyer, 200 strikers telephoned their bosses offering to return to work immediately.

Back In Operation

Some of the struck tugs were back in operation by midnight last night, docking tankers laden with precious fuel oil.

The mayor's fuel emergency committee removed some of the drastic conservation restrictions imposed last week, but retained controls over all deliveries of coal and heavy fuel oil.

According to the agreement between the 91 harbor tug and barge companies and Local 333, Marine Division of the AFL International Longshoremen's union, an arbitration board of three will settle issues unofficially listed as wages, hours, vacations, overtime and retroactivity.

Cummings Will Head Red Cross Drive In March

Campaign This Year Will Be For \$52,000, As Compared To \$102,000 In '45

DIVISION CHAIRMEN HOLD FIRST MEETING

Division chairmen of the 1946 Red Cross fund campaign met at a dinner in The Castleton hotel Wednesday evening, when Howard Cummings was introduced by Red Cross President J. Glenn Berry as the chairman of the drive which opens on March 1.

Mr. Cummings, superintendent of the United Engineering company's local plant, will head the campaign for a local goal of \$52,000. Of this total, \$42,000 is to be raised in New Castle and surrounding localities, while \$10,000 will be raised by Ellwood City.

Comparing this year's goal with last year's of \$102,000 quota, Mr. Cummings pointed out that Lawrence county exceeded the quota by raising \$133,696.14 in 1945.

Work Just As Vital

Furious Gale Strikes District

PITTSBURGH, Feb. 14.—(INS)—A 50-mile-an-hour gale whipped through Western Pennsylvania today leaving some damage in its wake.

The wind was a forerunner of snow and much colder weather forecast for tonight. Temperature was expected to drop to 15 above zero.

In Pittsburgh the gale broke windows, uprooted trees and tore down several telephone lines. Slight damage was reported in McKeesport, New Kensington, Clairton, Carnegie and Sharpsburg.

VAN JOHNSON TO REMAIN SINGLE

MIAMI BEACH, Fla., Feb. 14.—(INS)—Movie Idol Van Johnson, vacationing at Miami Beach, plans to stay single for a while.

Arriving in Florida by plane yesterday, the 29-year-old blond M-G-M star denied rumors of an early marriage with the statement: "Who wants to get married? Not I."

Columbists' reports that he is due to wed Jacquelyn Dalya or newly-divorced Sonja Henie are just so much prattle, Van confided.

Pledge \$45,500 Last Night For Epworth Church

Campaign For \$50,000 In Sight Of Goal At First Meeting Of Church Members

RESULTS ENTHUSE LEADERS OF DRIVE

Members of the Epworth Methodist church, of the East Side, set a new high in money-raising Wednesday night, Feb. 13, when at the first meeting of a campaign to liquidate a debt of \$50,000 they pledged \$45,500. Of the total pledged about \$12,000 was in cash and there remains many members yet to be heard from.

The result of the dinner meeting exceeded the fondest hopes of the members and officers of the church. It was known that a substantial total would be pledged but nothing like what was received was expected.

Bishop Straughn Speaks

Present for the meeting was Bishop James H. Straughn of the Pittsburgh district. Bishop Straughn spoke early in the meeting as he had to get back to Pittsburgh in preparation for a trip to Philadelphia today. He spoke in an informal way and said he felt sure the campaign would be a success. He spoke better than he knew.

Bishop Straughn was presented by the pastor, Rev. George R. D. Braun, chairman of the meeting.

Norman E. Clark, a trustee of the church, was in charge of the money raising. District superintendent, Harold A. McCurdy, a former pastor of Epworth church was present and spoke and said he hoped to be present when the mortgage is burned on the 75th anniversary of the church, in June, 1949.

Rev. George R. D. Braun, pastor of the church spoke and told of the formulation of the plan to clear the church of debt and of the work done by the trustees and other officers.

Rev. Braun modestly mentioned nothing of his own part in the work but he has made a fine contribution to the plan and to the church work since coming here in September, 1944.

The present Epworth church was (Continued on Page Twenty-three)

Death Decree For Jap Commander Of Prison Camp

YOKOHAMA, Feb. 14.—(INS)—Captain Isao Fukuhara, former Japanese prison camp commandant, was found guilty of war crimes today and sentenced to death by an American military commission.

Clinching testimony in the prosecution's case was given by Major Archie Tisdelle, of Chicago, Ill., who was sworn in hurriedly as the trial was about to close.

Beaten To Death

Tisdelle who flew from Manila to Yokohama to give his testimony told how he saw Corporal Walter Ray Johnson, a prisoner from McPherson, Kan., beaten to death at the Kyushu camp which Fukuhara commanded.

Prosecutor Captain Lester P. Kauffman, Canton, O., waved his summation in order to allow Tisdelle to take the stand and give eyewitness testimony.

Tisdelle who said he came to Yokohama to "see justice done" was captured by the Japanese in the fall of Bataan.

The American major also appeared as a witness at the war crimes trial of Lieut. Gen. Masaharu Homma in Manila.

Fukuhara whose trial consumed three weeks was known to American war prisoners as "the ferret." Testimony at the trial related the now familiar tale of Japanese brutality at the camp he commanded.

Four Die In Fire In Home

ZION, Ill., Feb. 14.—(INS)—A family of four persons perished today in a fire which destroyed the only stairway in their second-floor home in Zion.

The dead were John Korunka, 39; his wife, Laberta, 37; and their two children, John, Jr., six months, and Diana, 2.

Fire Chief Alvin Reusch said the fire apparently started from an overheated furnace.

New Castle Soldier Is Now Living In Tojo's Old Office

TOKYO, Feb. 14.—(INS)—A Pennsylvania soldier now hangs his wet laundry up to dry in the imposing office which once housed Japan's "Pearl Harbor" premier.

Tokyo newsmen noticed this strange aftermath of the war today when they inspected the spacious three-story Japanese War Ministry building, now being remodeled in preparation for the international war criminal trials.

The former office of ex-Premier Hideki Tojo is to serve as the assembly room for the nine-man tribunal. Cpl. Michael Bad-drick, of 13 Ralph avenue, New Castle, Pa., the lone guard, now lives in Tojo's office, hanging his laundry where top secret Jap war plans once were hatched.

The trials will be held in a large auditorium still containing a projection booth and screen, whereon pictures of the Jap early conquests were shown to war ministers.

The concrete building which escaped American bombings is still wearing drab camouflage paint. Workmen are repainting the whole interior and reinstalling radiators stripped during the war for scrap.

Damaging Gale Whips Across Northern Ohio

CLEVELAND, Feb. 14.—(INS)—A severe gale, with gust of wind ranging from 75 to 85 miles an hour in velocity, was ripping through most of northern Ohio today, leaving heavy property damage in its wake.

Utility lines were blown down, hundreds of windows smashed, trees uprooted and many homes were unroofed.

Full force of the gale extended northward from Columbus and eastward between Toledo and Erie, Pa., with the Lake Erie district bearing the brunt of the winds.

Johnson Bronze Plant Employee Awarded Medal

Presence of mind and skill in life saving technique paid off today when Theodore Turco, an employee of the Johnson Bronze company, was presented with the "President's Medal" of the Liberty Mutual Insurance company for saving the life of Paul Schweikert, a fellow employee, on October 1, 1945. Mr. Turco was also presented with a \$50 check by the Johnson Bronze company.

In addition, Paul White and Robert Schatzer were presented with checks for \$25 for their work in breaking an electrical connection which shorted through Mr. Schweikert's body and without their speedy intervention would have cost the life of Paul Schweikert.

President J. Preston Flaherty of the Johnson Bronze company made the presentation in the office of the chairman of the board, P. J. Flaherty. Present were E. M. Flaherty, secretary; Ernest Hawk, safety director of the company who has trained over 100 employees in first aid measures; Anthony M. Thomas, manager of the Erie office; and W. E. Hutchins, district engineer of the Liberty Mutual Insurance Co.

Flaherty Makes Presentation

The "President's Medal" which is awarded only about six times per year nationwide, was presented by President Flaherty in the following words:

"Today, we honor Theodore Turco for having made such a practical application of artificial resuscitation that he saved the life of his fellow employee, Paul Schweikert, on October 1, 1945. Not often enough does the opportunity come to us to illustrate the value of accident prevention training in such a dramatic fashion.

"This award is more especially pleasing because it illustrates the team work of others who also helped in the saving of Mr. Schweikert's life. These others by name are Paul White, Robert Schatzer and Safety Director Ernest Hawk.

"Perhaps the best way to illustrate this life saving epic is to briefly re- (Continued on Page Two)

Leaders Labor To Iron Out New Policy Conflict

Further Delay Is Seen In Agreements Expected To End Steel Strike

O. P. A. SWITCH HAS CREATED DELAYS

By PHILLIPS J. PECK
(U. S. S. Staff Correspondent)

WASHINGTON, Feb. 14.—Top administration leaders labored today to iron out a last-minute conflict on steel prices before announcing the government's new stabilization policy to end current industrial unrest.

General agreement was understood to have been obtained on the policy directive which will compensate industry for reconversion pay boosts. It also will restore some control over wages to forestall a new breach in the stabilization line a few months from now.

Officials now are reported to be concentrating on the increase in steel prices—possibly between \$6 and \$7 a ton—to induce the industry to settle its wage dispute with 750,000 striking steelworkers.

Report Bowles Switches

A last-minute switch in the position of OPA Administrator Chester Bowles and his aides was said to have upset previous calculations on the steel price issue.

Initially, OPA endorsed a \$250-a-ton increase in steel to compensate the industry for accumulated past costs. OPA finally went up to \$4-a-ton after refiguring the industry's profits on the basis of a year's output at the non-war production rate of the last quarter of 1945.

Administration officials, including Bowles, then agreed on the policy of allowing some price adjustments to compensate for reconversion wage boosts. The steel industry contended it needed about \$450-a-ton more to pay President Truman's compromise proposal for an 18½-cent hourly wage increase.

Change Position

At this point, OPA representatives reportedly switched their position (Continued on Page Two)

SIX DROWNED AS BARGE SINKS IN ATLANTIC OCEAN

One Man Rescued, Nine Were Known To Have Been On Barge Towed By Tug

BOSTON, Feb. 14.—(INS)—Six men were drowned today and a seventh rescued when a barge in tow of a tug sank three miles off Watch Hill, R. I.

A coast guard plane from Quonset Point, R. I., and coast guard surface craft are searching for other possible victims.

The barge carried nine men. One man was rescued and six bodies were recovered.

The coast guard answered a radio message from the tug Nottingham of New York City. The tug reported it was three miles off Watch Hill, and saw a light blinking on the barge.

The tug put about to investigate and found the barge had sunk, and that the crew was in the water.

SURPLUS MANILA WHEAT WILL BE SENT TO JAPAN

TOKYO, Feb. 14.—(INS)—General MacArthur's headquarters announced today that two million pounds of surplus U. S. army wheat flour will be shipped from Manila to Japan as part of a five million ton relief allocation for the occupied nation.

Headquarters said that terms for payment by the Japanese will be outlined in the future.

WOMAN INJURED IN HOSPITAL PLUNGE

PITTSBURGH, Feb. 14.—(INS)—M. Daisy Wilson, 39, of Jeannette, was seriously injured today when she plunged from a fifth floor window of Woman's hospital in Pittsburgh.

Hospital officials said Mrs. Wilson apparently had been brooding over her illness. She was admitted to the hospital as a surgical patient two weeks ago.

Young To Enter Detective Bureau

Blaine Street Man, 30 Years On Force, Now Seventh Ward Patrolman, Promoted

John C. Young, Blaine street, a member of the city police department for 30 years today, by unanimous action of city council, was elevated from the rank of patrolman to detective. Mayor John P. Haven recommended the promotion. Young will return to the detective bureau Saturday.

Mr. Young was appointed to the police department shortly after the late A. D. Newell became mayor of the city. Since then he has served as a patrolman and detective during different administrations.

In offering the recommendation, Mayor Haven stated that assistance was needed in the detective bureau and Mr. Young, having filled the position formerly, should be returned to the bureau.

Council voted unanimously upon the promotion.

CUMMINGS WILL HEAD RED CROSS DRIVE IN MARCH

(Continued from Page One)

Red Cross work is just as vital," he added.

Speaking briefly on the changing needs which are met by the Red Cross, Miss Elizabeth Breslin, executive secretary of the local chapter, stated that the home service department's work has been increasing rather than decreasing since the end of the war, and that its service has become even more important as more and more men are returning to this country.

Mr. Cummings has been at the New Castle plant since last April, coming here from Pittsburgh, where he was associated with the United Engineering company. Although he has never headed a campaign such as the one opening in March, the new chairman has worked in a number of Red Cross drives. His interest in the Red Cross was increased by the fact that his son, Sgt. Dale Cummings, served in the South and Central Pacific for three and one-half years.

JOHNSON BRONZE PLANT EMPLOYEE AWARDED MEDAL

(Continued from Page One)

view the back ground of the events that occurred on October 1, 1945. Schweikert was standing on a lathe drilling a hole to mount an electric switch on the frame of the lathe. The electric drill on a 110-volt circuit was held in his right hand at about shoulder height. His left hand was against the steel frame of the building also about shoulder height. When pulled out of the drill hold, the drill started, the current traveling across Schweikert's body from the right hand to the left hand, the drill not having been previously electrically grounded. He was unable to free either hand from the drill or the steel side of the building.

Knock Him Loose

"Paul White and Robert Schatzner noted Schweikert's predicament. White tried to knock him loose while Schatzner broke the power connection at the wall outlet. As Schweikert fell unconscious, they caught him and lowered him to the floor. Theodore Turco immediately placed Schweikert on his stomach and began artificial resuscitation. This was conducted for about 15 minutes, until these men were sure that Schweikert had resumed normal breathing. By this time, Safety Director Hawk had a stretcher brought to the scene and the injured employee removed to the plant hospital.

"Schweikert returned to work on December 2, 1945, without any permanent disability. Certainly no one could be more grateful for the safety lessons that these men have learned than Schweikert and his family, which includes four young children. We would like to go a little further into the background of the prevention measures involved here. Basically the entire rescue reflects the fine thorough training received by these employees under plant Safety Director Ernest Hawk. This situation was not merely a fortunate happenstance; because Mr. Hawk has consistently trained the supervisors and the employees of the Johnson Bronze company in first aid and artificial resuscitation for the past several years! In other words, the foresight of this program gives reason to hope that the emergency would be met in similar fashion anywhere in the plant.

"Thus today we feel that words of praise cannot be too many for Mr. White, Mr. Schatzner and Mr. Hawk, and especially for Mr. Turco, since he was the direct means of applying the life-giving measures that have been taught many of our employees."

Deaths of the Day

Anthony Klik.

Anthony Klik, aged 64 years, of 103 Sharp street, died at his home, Wednesday afternoon, after an extended illness.

Mr. Klik was born in Poland, May 22, 1881 son of Mr. and Mrs. John Klik. He lived for 35 years in New Castle and was retired from the Shenango Tin Mill company. He was a member of the Holy Trinity Polish National Catholic church.

They could not find anyone in the trailer. Thompson ran to 1960 to determine the ownership of the trailer. Reese raised police headquarters to alarm the fire department.

Mr. Twintier, awakened by Thompson, ran from the house, reached beneath the trailer, seized a can of gasoline which was blazing, and hurled it away, according to the police report.

Unfortunately, it landed near Thompson and gasoline flames quickly ignited his clothing. He dropped to the ground and began rolling in the mud to extinguish the flames.

Policemen Reese seized a blanket and helped to beat out the flames. When the fire on Thompson's clothing was extinguished, Reese rushed him to the Jameson Memorial hospital, where it was reported Thompson had sustained second degree burns to his right hand, right foot and a leg. He later was taken to his Harrison street home.

Speculation On Successor

Ickes departs from office Friday. Assistant Secretary of the Interior Oscar Chapman, of Colorado, will head the department temporarily.

There is widespread speculation over Ickes' successor. This discussion centered on the names of Secretary of Labor Lewis Schwellenbach, Sen. Burton K. Wheeler (D-Mont., Sen. C. G. Andrus, meteorologist in charge of the U. S. Weather bureau in Cleveland, who maintained an all-night vigil at the Cleveland Airport, said the heart of the gale was about 50 miles north of Cleveland. He said the winds should diminish in force later today.

The weatherman said that snow squalls were expected to replace the gale and that temperatures, which had reached highs of nearly 60 degrees, would drop into the teens by tomorrow.

Wind velocity readings for extended periods in Cleveland were from 60 to 63 miles an hour. Toledo reported maximums of 55 and Hayesville 52.

Algebra Class For Veterans Organizes

Because of increasing demand, a class in algebra for veterans interested in getting high school credit has been organized and will meet this evening in the Senior High school, according to Superintendent of Schools Frank L. Burton.

The class will meet each Tuesday and Thursday evening at 6 o'clock. Veterans may enroll next Tuesday evening as well as tonight. Classes in history and English are already in progress.

Woman's Hat Makes Flight Into Creek

High wind today no doubt will bring a hat sale in New Castle. Here's what happened: A comely young woman was walking across the Neshannock creek bridge.

A strong gust of wind lifted off her hat which "flew" over the concrete rail and fell into the creek. The young woman stepped to the railing, saw her hat in the water, turned away and continued on her journey, bareheaded.

and other minor damage was reported. Some of the electric lines were also affected when struck by falling trees or limbs in the local area.

What a big wind during the past night. In the 600 block of East East Washington street, several brick were blown off the chimney. On the sidewalk, two blocks toward town, there was a sheet iron sign about five feet long had landed there with the wind's help.

March like winds of Thursday morning, Pa. Newc notices, was a boon to some residents of the city, while to others, it did not treat them so well. Debris which had collected through the winter months, in front of some properties, was neatly picked up from its original resting place and deposited in front of some neighbor's house.

According to the State Bureau of Motor Vehicles in Harrisburg, from April 1 to December 31, 1945, there was a 4.1 per cent increase in the registration of motor vehicles over the same period in 1944. The report showed 2,967,893 motor vehicles were registered during that period. The figures also revealed a 141 per cent gain in December 1945 over vehicles registered in December 1944.

Ever Try Making Cough Syrup in Your Kitchen?

Gives Quick Relief. And It's So Easy! No Cooking. If you've never tried mixing your own cough medicine, you've missed a lot. It's no trouble—needs no cooking—and gives you about four times as much cough syrup for your money. You'll say it beats anything you ever tried for coughs due to colds. And here's how it's done:—

Make a plain syrup by stirring 2 cups of granulated sugar and one cup of water in a saucepan until it becomes a thick, smooth syrup. Or you can use corn syrup for throat and bronchial irritations, or liquid honey, instead of sugar syrup. Money refunded if it doesn't please. Get 2½ ounces of Pinex from your druggist. Put this into a pint bottle and fill up with your syrup. This makes a pint—a family supply. Takes time and never spoils. Children love it. And as for results, you've never seen anything better. It goes right to work on the cough, loosening the phlegm, soothing the irritation, and helping clear the air passages. You will like it for its results, and not merely for the money it saves.

Pinex is a special compound of proven ingredients, in concentrated form, a most reliable soothing agent. We invite comparison in quality material and workmanship. New, modern designs priced at \$35 and up.

B.P.W. Dinner-Initiation In Castleton Coral Room

Mid-winter initiation of new members of the Business and Professional Women's club was carried out at the February dinner meeting of the club Wednesday evening in the coral room of The Castleton.

At an impressive candlelight initiation ceremony, 13 new members were received into membership bringing the club's total membership to 122, the largest in a number of years.

Miss Dorothy R. Beckwith, Mrs. Mary Bradford, Miss Audrie Cromie, Mrs. Mary E. Dolan, Mrs. Dorothy McMillen Gilkey, Mrs. Marjorie Hildebrand Headland, Miss Dorothy Long, Miss Margaret McGowan, Miss Evelyn McGrath, Miss Jane McGrew, Mrs. Evelyn McKibben, Miss Ethel J. Pitzer and Mrs. Winifred Robertson were introduced to the group by Miss Florence Davis, membership chairman.

Miss Mary Scherger conducted the initiation.

Health committee of the club, Miss Ruth Drescher chairman, was in charge of the program of the evening and introduced Dr. Paul H. Wilson, who spoke on the plans and aims of the American Cancer so-

ciety and plans for use of funds contributed to it both locally and on a national scale for research and education of the public.

The club voted to sponsor a special project in the near future, proceeds to be turned over to the American Cancer society fund.

Announcement was made that the next meeting of the International Relations Study group will be one on "Russian Art" on Tuesday, March 5, in the Y. W. C. A. when Mrs. Alec Samuels will be the speaker.

An executive board meeting will be held February 27 at the Y. W. C. A.

Next regular meeting will be March 13 at The Castleton when the education committee will be in charge of the program. Capt. Thelma Dunden of the Salvation Army will be the speaker.

Health committee in charge of Wednesday's program was Miss Ruth Drescher, Miss Myrtle Lord, Miss Elizabeth Albert, Miss Sue Cramer, Miss Della Glenn, Miss Naomi Raney, Miss Elizabeth Brosim, Miss Martha Dinsmore, Miss Hazel Grossman and Miss Martha Mathews.

SHOWER GIVEN FOR MARCH BRIDELECT

For Miss Lorraine Plotts, bride-elect, Miss Helen Williamson, of New Wilmington, entertained at a card party and shower Wednesday evening.

Four tables of cards were in play during the early part of the evening with prizes going to Miss Marjorie Bleick, Miss Katherine Prazier and Miss Katherine Young. Later other games were a feature of the entertainment.

Lovely gifts of a miscellaneous nature were presented to the guest of honor.

Dainty bouquets of sweet peas and place cards of silver slippers and bridal bouquets decorated each of the tables for four when a lunch was served at the close of the evening.

Mrs. Maude Williamson and Mrs. Earl Mercer assisted the hostess.

Guests from New Castle were the Misses Jane Taylor, Marian Bleick, Katherine Wrazier and Virginia Donaldson.

Miss Plotts has announced plans for her wedding on March 16 when she will become the bride of Vincent Whitman at an open church ceremony in Neshannock Presbyterian church, New Wilmington.

Emanon Club

Emanon club associates were entertained Wednesday evening in the home of Mrs. Robert McQuiston, of Euclid avenue.

Mrs. David Harlan, Mrs. John Beckrich and Mrs. Jessie Joseph captured trophies for bridge. A guest prize was awarded Mrs. Dale Brown. Mrs. John Robinson was welcomed into the group as a new member.

Mrs. James Allen aided the hostess in serving lunch.

Mrs. Robert Allen will be hostess in two weeks at her home on Wilmington avenue.

B.O. VETS DINNER ANNIVERSARY EVENT

Baltimore and Ohio Veterans association on its fourteenth anniversary met Wednesday evening in the Eccles Hall for a "pot luck" dinner.

On this occasion a special program of entertainment was a feature. Charles Shelby at the piano played a group of numbers and accompanied Miss Harriet Burke who sang two solos and Miss Donna Sherman who played two instrumental pieces.

Group singing was also a feature. Games were a pastime with prizes going to Mrs. J. D. Thompson, Mrs. Anna Mascho, Mrs. Carl Duckworth, and Charles Gee.

Special guests included Mrs. John K. Jolly, of Youngstown, grand president of the B. & O. Veterans, Akron district, and Mrs. and Mrs. Charles Shelby.

Mrs. Myron Olmstead, Mrs. Don Warnock, Mrs. Charles Gee, Mrs. F. M. Fox, and Mrs. I. Bowman were the committee in charge.

SIX O'CLOCK CLUB MEETS FOR DINNER

Six O'clock club members were dinner guests of Mr. and Mrs. John Morgan, East Washington street, Wednesday evening.

Following dinner at 6:30 tables of contract bridge were in play during the evening with high score prizes going to Miss Nan Henderson, Mrs. G. S. Jenkins, Mrs. Ralph Carlson and Jack Morgan, Jr.

Mrs. Frank R. Doyle assisted the hostess.

Letters were read from Mr. and Mrs. Walter C. Gilmore and Mr. and Mrs. Gilmore Smith, who are wintering in St. Petersburg, Fla.

As a surprise feature of the evening, little Miss Carol Jean Morgan played valentine.

Next meeting will be in three weeks, on March 6, with Dr. and Mrs. G. S. Jenkins, Grandview avenue.

C. B. Club

C. B. club members were entertained Wednesday evening in the home of Mrs. Isaac Fletcher, of Lathrop street.

Mrs. William Theilman, a special guest, was awarded the high score trophy.

During the evening a former associate of the group, Mrs. L. J. Withers, of Huntington, Ind., talked over the telephone to each member of the club.

Mrs. Fletcher was aided in serving a tasty lunch by Mrs. Theilman and Mrs. Stephen Hudak, another special guest.

Mrs. Charles Shoaff, of Sheridan avenue, will be hostess in her home Wednesday evening, February 27.

All-Together Club

Mrs. Elizabeth Cubellis, of DuShane street, met with the All-Together club, Wednesday evening.

Card prizes were won by Mrs. Nellie Sansosti and Mrs. Mary Ross. The club token was won by Mrs. Mary Palumbo. Secret pal names were drawn.

A delicious lunch was served by the hostess, aided by her daughter, Mrs. Pete DeMico and Mrs. Mary Holloway.

The next meeting, February 27, will be with Mrs. Pasqualina Donofrio, Hamilton street.

T. J. N. Club to Meet

EAST SIDE GARDEN PROGRAM ON ALASKA

East Side Garden club was entertained for its regular one o'clock luncheon meeting on Wednesday at the home of Mrs. Harold Ferver, Delaware avenue.

Mrs. Walter Kelly and Mrs. Arthur Martin poured at a table where decorations were carried out in keeping with Lincoln's birthday.

Members answered roll call by naming a flowering shrub.

For the program of the afternoon, Miss Rosena McGurk spoke to the audience on "Alaska". She told of its natural resources, climate, cities, noted people who came from there, and in a most delightful manner illustrated her talk with personal reminiscences of a trip to Alaska.

She showed souvenirs, carved ivory, furs, snapshots, some of her own original oil paintings, and with a "viewmaster" showed scenes of Alaska, Jasper Park in Canada, and Burchard's Gardens, Victoria, B. C.

Mrs. E. L. Davenport presided over business during which it was announced that a new book, "Lawn Care" has been added to the club's library.

Next meeting will be March 13 at the home of Mrs. Albert Wilson, Morton street.

INSTALLATION TEA WIMODAUSIS EVENT

Installation of officers was carried out at the Wimodausis business meeting and tea held Wednesday afternoon in the Scottish Rite Cathedral. Mrs. Harry McPeeters and Mrs. W. A. Strittmeyer were in charge of arrangements and were assisted by members of the board. Installation was conducted by Mrs. Roy Long.

Those installed are as follows: president, Mrs. Sarah McKinley; first vice president, Mrs. Walter Gilmore; second vice president, Mrs. Maurice Boyd; financial secretary, Mrs. W. L. Broadbent; recording secretary, Mrs. W. A. Strittmeyer; treasurer, Mrs. George E. Lyon.

At a tea table beautifully appointed with silver and linen, a decorative color scheme of red and white was carried out. Red and white carnations centering the table were flanked by tall red tapers in crystal holders.

Incoming president, Mrs. Sarah McKinley and outgoing president Mrs. Walter Gilmore presided at the tea table.

Lovely gifts were presented to Mrs. Gilmore and to Mrs. Homer Gardner.

Next meeting will be March 13 at the Cathedral when Mrs. John Warnock and Mrs. W. H. Hood will be hostesses.

TRIPLE BIRTHDAY IS CELEBRATED

Three birthdays that fell on the anniversary of Lincoln's birth were honored Tuesday in the Sheridan avenue home of Mrs. Edwin A. Porter, at a lovely party.

Places of honor were reserved for Mrs. Sara Jones, Mrs. Rita Richardson and Mrs. Virginia Dean, who all were observing their birthday simultaneously with that of the "triple birthday".

At noon, 20 relatives and friends sat down to a delicious dinner at tables centered by three birthday cakes, appropriately decorated with valentine hearts.

Each honoree received a useful gift from the group.

Joint hostess with Mrs. Porter was Mrs. Frank Parker.

Miller-Alison

Announcement is made of the marriage of Dorothy Jane Miller, daughter of Mr. and Mrs. Louis Ferrucci, of Wampum, and James W. Hackett, son of Mr. and Mrs. Clyde Hackett, of Wampum, R. D. 2, were united in marriage at a ceremony performed in St. Monica's church, Wampum, at 7 o'clock in the evening, February 7, Rev. F. Atkinson officiated.

The bride wore a gray pin stripe suit with black accessories and an orchid corsage. She was attended by her cousin, Miss Vivian Colella, of Rochester.

William Ferrucci, a nephew of the bride, served as best man.

After the ceremony, a wedding dinner was served at the home of the bride's sister, Mrs. A. J. Morella, of Ellwood City.

The newlyweds will be at home at the Caplan apartments, Fifth avenue, Koppel.

1937 Club

Members of the 1937 club gathered Wednesday afternoon in the Elk club.

High score honors for 500 were awarded Mrs. George Woodring, Mrs. William Murphy and Mrs. Floyd Houk.

Later refreshments were served.

The group will assemble at the same place Wednesday afternoon, February 20.

Something 'Comic' In Protests On UNO Site

WASHINGTON, Feb. 14.—There is something a little comic about the cries of rage and pain which have greeted the selection of the rich suburban area in New York and Connecticut as a site for the United Nations permanent home.

Many of the estate owners who are protesting vigorously have been among the most ardent advocates of a world organization. But now that they are threatened with loss of their handsome, well-tended acres, the men and women of the station wagon set have risen like the embattled citizens of Concord to defend their homes and hearthstones.

Meetings are held in country-house drawing rooms around Greenwich and Stamford. Burning indignation is released on the air. Some of these same embattled citizens—Gene Tunney, for example—were meeting not so long ago in behalf of a world government. Now Tunney says that, if it were necessary for world peace, "we'd give up our land ten times over." But he thinks the selection of the site was "a great mistake."

Tunney is mild. Scholarly and gentlemanly as always, Tunney is mild compared to many of his fellow estate owners. They have spoken angrily of "reigns" and an invasion by "aliens." On the other hand, humbler citizens, who live in modest suburban style, look with suspicion on the rich and mighty, feeling there may be a plot back of it all. One angry citizen suggested the whole thing was cooked up to get nabobs and distinguished foreigners into the area in order to dress up dinner parties and smart week-ends.

"No other people in the country have been more ardent for the destruction of American sovereignty and the subordination of American rights to the demands of other nations than have the dilettante suburbanites of the eastern seaboard," the Chicago Tribune sneered from a distant shore. They have been more foreign than American, and now that their internationalist chickens have come home to roost, nobody sympathizes with them.

Colonel McCormick of the Tribune has a magnificent estate not far from Chicago, where he lives like a British hunting squire who has taken lessons in luxury from a Maharajah. Maybe the UNO committee missed a bet in not looking at that site.

In the good old days, Bert Williams used to sing in his own inimitable way a song that summed it all up. The chorus went something like this:

"Not For Me"
"It's a wonderful opportunity. For somebody else, not me!"

Ignoring for a moment such considerations as the size of the proposed site, the UNO committee could hardly have selected an area with the general region specified where fewer persons per square mile would be displaced. Moreover, the estate owners can far better afford to be housed themselves than could the residents of some crowded urban area.

In every way the site selected fits the specifications. And there are not many places in the region specified by UNO that do qualify. The Republicans on the U. S. delegation strongly objected to the selection of Hyde Park.

The size of the site chosen by the selection committee—42 square miles—seems ridiculous on the face of it. Perhaps eventually, a city-size tract will be necessary, but surely there will be room for expansion when the need for it is clear.

The outcries from Greenwich and Stamford are a little premature. Opposition to immediate decision on a site has developed within UNO. Also the U. S. senate must pass on any area before it is finally taken.

What is more, the hostile west has renewed its invitation to come out where there is room enough to turn around in. The entire California delegation in congress urged the assembly of UNO in London urging that the question of a site in the west be reconsidered.

Courage Greenwich! Take heart, Stamford! Those manorial chimneys may still stand against the expensive suburban sky. If it were not that they might feel a little isolated, the ideal site for UNO would be the Mojave desert.

Just Folks

By EDGAR A. GUEST

ST. VALENTINE
Tis told of Bishop Valentine
Between the history covers.
He penciled many a pretty line
For shy, unlettered lovers.

He fashioned many a tender phrase
For those who hesitated.
And by his gracious, winning ways
Got many a couple mated.

When'er he met a man afraid
To say: "I'm altar headed,"
The Bishop told it to the maid
And promptly got them wedded.

So oft he penned the phrase:
"Be mine!"
A grateful Roman nation
Bestowed a day on Valentine
For loving celebration.

Now here's the day, and near and far
The postman wise discovers
That all the women sweethearts are,
And all the men are lovers.

Sun sets tonight 5:44. Sun rises tomorrow 6:44.

An East Side boy, just beginning to get his eye-teeth cut, remarks that his girl's promise to be on time carries a lot of weight.

The Japanese Home Ministry has announced that henceforth swords are to be considered "Objects of ancient art and cutlery and not in the sense of being weapons." They probably found out that waving a sword at the Yanks didn't scare them one bit.

ONE MOMENT, PLEASE!
"Perkins, Perkins, Peckham, and Potts—good morning."
"I want to speak with Mr. Perkins."
"Who's calling, please?"
"Mr. Pincham, of Pincham, Pettam, Poppum, and Pogg."
"Just one moment, please. I'll connect you with Mr. Perkins' office."

"Hello, Mr. Perkins' office."
"I want to speak with Mr. Perkins."
"Mr. Perkins? I'll see if he is in. Who's calling, please?"
"Mr. Pincham."
"Just one moment, Mr. Pincham. Here's Mr. Perkins. Put Mr. Pincham on, please."

"Just one moment, please. I have Mr. Pincham right here. Okay with Perkins, Perkins, Peckham, and Potts. Mr. Pincham. Go ahead."
"Lo, Joe? How's about lunch?"
"Okay."

Said one New York girl to her chum: "That guy you run around with—he isn't exactly what you would call polished, my dear, when you are out walking in the park, is he?"

"Well," said the other girl, "you are liable to find him a little rough around the edges."

The husband who knows where his wife keeps her nickels has nothing on the husband who knows where the maid's quarters are.

WORTH THE TRY
A boy in long pants got on a bus for a dime. A boy in short pants got on for a nickel. Pretty soon a beautiful girl got on for nothing and a druggist cowboy edged over to find out why. She had a transfer.

DINNER PARTY ETIQUETTE

"I am about to attend my first dinner party at my fiancée's home. Do give me some highlights on dinner party etiquette."

Answer: Be equally attentive to your neighbors on both sides of you, whether you dislike one of them or not. Talk to both of them impartially. You must talk even to your worst enemy if you find him seated next to you at a dinner party.

To ignore him would make the situation uncomfortable for your hostess as well as for the other guests.

You may start to eat leisurely as soon as your food is placed before you and your neighbors. Etiquette no longer requires that you wait for your hostess to eat or that you leave part of your food on your plate to prove that you are not half starved.

Do not refuse the first helping of any food passed to you. If you do not like it, take a very small portion and leave it on your plate. Thus you avoid the implication that the menu is not to your taste.

Do not eat faster than your neighbors or make yourself conspicuous by being the only one at your end of the table with an empty plate. Do not push it away from you when you have finished eating. And do not make gestures with your fork, knife or spoon. And avoid patting food with your fork or using your knife to pile it on your fork.

Never raise your glass above horizontal even when you drink the last drop. Be careful that you do not smack your lips or make any mouth or throat sounds when you chew or swallow. Keep your lips absolutely closed while you chew.

Do not mention your dislike of any food whether present on the menu or not. If you inavice yourself "allergic" to any particular food, keep that weakness a secret.

Present your problems to Miss Markel who will promptly mail personal replies to readers including self-addressed, stamped envelopes.

LOOKING AT LIFE

By ERICH BRANDEIS

There is a play on Broadway which you ought to see when you come to New York or if and when it comes to your town.

It is called "State of the Union" and it will teach you more about American politics in two hours than you could otherwise learn in a lifetime—unless you are a professional politician.

Here is one little piece of it: The candidate's wife, suspicious of the political situation, asks the hard-boiled boss:

"Just what is the difference between 'Democrat' and 'Republican' parties?"

Whereupon he answers very succinctly:

"Hell, everybody knows that. The Democrats are in and the Republicans are out!"

However, politics isn't my field, so no more of that. What I want to talk about is another bit from the play.

The candidate's wife, suspicious that her husband doesn't love her any more and is interested in another woman, complains to a friend:

"I used to swear a lot. And every time I swore, Grant used to give me a good smack on my seat. I knew then that he loved me."

And then, toward the end, when the heat of the campaign has two have traveled together and got to know each other once more, Mary does a bit of sweating, whereupon her husband gives her a good old-fashioned smack where he used to.

Her eyes turned heavenward, Mary exclaims, with ecstasy in her voice:

"Thank heaven, he loves me again. And her friend remarks: "It's funny how big little things can be!"

Yes, it's funny how big little things can be. Last night my wife was tired—and a bit cranky.

We had corned beef hash for dinner—a new kind of corned beef hash from a recipe which she had just discovered in her newspaper.

It was different—and it was awful. I could hardly eat it, but I saw the expectant expression in her eyes.

"Gee, that's a wonderful hash," I said and almost choked. "How did you ever manage to make it?"

And would you believe it, my wife wasn't tired any longer, and we had a lovely evening together. Not even her promise to make the same hash again for me next week could spoil that evening.

Yes, it is funny how big little things can be. (Copyright, 1946, King Features Syndicate, Inc.)

The Parent Problem
By Garry C. Myers, Ph. D.

SHOULD HIGH SCHOOL YOUTH "GO STEADY?"
A father writes:

Dear Dr. Myers: Here we are again with our new problem. This time it is a disagreement between parents about the attitude to be taken toward a girl friend of our 17-year-old son.

"They are high school students, see each other at school, on the way to and from school and at most of social activities."

"Both parents of the boy know the girl personally. The disagreement is this: One thinks it would be proper to ask the girl to come over to say 'Hello' on any occasion they happen to be passing by our house in order to be friendly to her and see our son's behavior with the girl. At the same time, they very casually meet the parents, whom we know by sight only."

Opposing Parent
"The other parents is positively against this for the following reasons: 1. Youth should be left alone. 2. Don't pay any attention to puppy love. 3. A girl of 17 is not interested in visiting with the boy's parents and shouldn't be asked to do so. 4. The boy's parents shouldn't worry, but leave the worry to the girl's parents. Here enclosed is a stamped, addressed envelope."

Answering this father, I wrote about as follows: It has seemed to me that parents of the boy should be quite as eager to know his girl friend as the parents of the girl, her boy friend, though such equality does not seem to prevail. Both the boy and girl also miss something valuable when she does not gain reasonable acquaintance with his parents, especially when living in the same neighborhood.

Wholesome Relationship
It is not just this girl you would like your boy to bring to your home occasionally but any other girl he may be interested in. It reveals a wholesome parent-child relationship in your own family.

This girl and your son also should meet other girls and boys in your home in order to observe other boy-girl relationships and to enable your son to make comparisons. Often this proves an effective way to discourage a boy-girl attachment the parents might disapprove.

While the constant companionship between this boy and girl may be only "puppy love," it easily can grow serious and result in an unduly early marriage.

Limited Sociality
Besides, any youth who so early has a "steady" is sadly limited in (Continued on Next Page)

Prospects For Labor Legislation Fading
Truman Seen Avoiding Race On Armaments
Agricultural Department Bungling Cited

By HELEN ESSARY
WASHINGTON, Feb. 14.—Prospects for final congressional action on labor disputes legislation are fading out on Capitol Hill.

This is due to two things: an easing of the strike situation and powerful arguments against such legislation by both management and labor.

The House has the green light on such legislation and is set to pass a bill much more drastic than President Truman has proposed. But the Senate is in a different mood.

In the upper chamber, legislators are not so sensitive to ups and downs of popular emotion as members of the House. The Senate has been lukewarm to labor legislation right along.

This does not mean that no legislation affecting labor will be enacted. But it seems doubtful that a labor disputes law will be passed. It is possible that a bill may emerge strengthening the government conciliation service.

Secretary of State James Byrnes' disclosure that President Truman would like to have UNO observers witness the forthcoming atom bomb tests has been interpreted by some as an effort on the part of the chief executive to avert another world armament race.

The official view in the nation's capital is that Mr. Truman wants the other nations, particularly Russia, to see just how powerful the bomb is.

Congress, however, appears bent on making certain, through legislation, that vital secrets obtained from the test remain the property of the United States alone.

China Makes Bid
The current acute stocking shortage is proving a boon to China's war-crippled silk industry. With women lining up to purchase any kind of hose, China is going all out to recapture some of the business lost during the recent conflict.

The war cost China's silk industry an estimated loss of three billion dollars. Now production of silk hose in China is booming, and manufacturers are forming a silk transport organization to step up shipments to the United States.

Most of the valuable educational pictures filmed for the armed services will be turned over to peace-time uses now that the inter-departmental fight has ended.

The Navy, which produced many thousands of feet of such film, recently battled it out with the bureau of education over the latter's disposal of film turned over to it.

The bureau was selling the Navy's films and pocketing the money. The Navy countered by cutting off the film supply. Now a deal has been worked out whereby the films will be distributed by the Surplus Property authorities.

Films range from showing an illiterate how to handle a wrench or screwdriver to closeups in technical or difficult operations.

Meat Bungling Charged
Federal officials concede now that the seizure of struck meat plants was handled badly by the administration.

Originally, the Army was supposed to take over. Then it was changed to nominal seizure by the

The State Police Say:
Following are nine safety suggestions for pedestrians: Cross only at crosswalks, wait on the sidewalk, be sure the way is clear before you cross, be doubly alert during the first few steps, cross within the crosswalk, walk to the right in the crosswalk, cross on the proper signal, walk on the left side, facing oncoming traffic, wear or carry something white at night.

The United States leads the world in manufacture and purchase of fur coats. It's items like this that make the woman without one half crazy.

Stop Strikes Against The Public!

The ruinous extent to which the public is made to suffer when union strikers paralyze essential utility service has never been so graphically illustrated as in the cases of strike-torn Philadelphia, New York and Pittsburgh.

And never has it been so clearly demonstrated, by the distress and discomfort caused to many millions, that some effective safeguard must be erected by law to protect our people from similar disasters in the future.

For it is disaster that has hit the three cities. Disaster that has proved more crippling than any wartime emergency. Disaster thrust upon 15,000,000 men, women and children by a few thousand striking workers misled by their union leaders.

In Philadelphia the whole street transportation system was brought to a halt, with resultant disruption of the lives of 3,000,000 passengers, with serious loss to business, with public health and safety endangered, with inconvenience caused to everyone.

In New York, the strike of tugboat workers brought an industrial blackout that was worst days of the war could never accomplish.

Because of the depletion of fuel supplies, a state of emergency had to be declared, closing down commercial establishments, industrial plants, department stores, schools, theaters, museums, dance-halls and bars.

In Pittsburgh a strike of power company employees halted street railway service, forced the shutting down of schools and stores, left many hotels and office buildings without heat and elevator service and threatened to black out electric service to thousands of homes and public buildings.

It would take a major catastrophe, a bombing, an earthquake or a huge conflagration to inflict comparable disruption of the community life of these great cities.

But it is not an act of nature or of war that is to blame; but the act of a few men who are able by means of strikes to halt services by which the public lives.

The public is the target in utility strikes. It is the public that is made to do without fuel, or water or light, or power, or communication, or transportation, or the means of supplying food. It is the public that is caught in the middle in disputes between utility management and labor.

Bob Hannegan is annoyed by rumors that Mr. Truman hopes to get out by 1949 and make a new start in life.

The party is not accustomed to men who say "Oh I wouldn't think of taking more than one term."

It's possible that harassed Harry would want to quit. After all his previous experience was with white shirts. Not hair shirts.

Mayor O'Dwyer of New York has shown the president how a crisis should be handled. If anyone disrupts normal life, complete the job.

If tug boats were enemy cruisers they couldn't tie up the city any tighter or easier.

But the mayor fixed that. He shut down the city.

He acted with the same presence of mind as the man who saw a runaway horse headed for a plate glass window. Quick as a flash, the man ran six blocks and told a glazer.

Stand by for further crisis. They're getting better all the time.

Airport Adds New 'Fool-Proof' Plane

Certified 'Non-Spinable' Airplane
Banks, Turns, Dives With Single Control

Now on display at a local automobile show room, the spin-proof Ercoupe which is reputed to be the world's safest airplane, will soon be available at the local airport for private flying and flight instruction, according to Bill Horchler, acting manager of the airport during the absence of Pindley C. Wilson.

The new, all-metal light planes features the simple two control, wheel and throttle, with the tricycle landing gear that makes it the "fool-proof airplane that almost flies itself."

While on the ground, the Ercoupe is handled the same as an automobile; in the air, the pilot can bank, turn, climb, or dive with the single control wheel as all the controls are coordinated automatically. For that reason, it is impossible to get the Ercoupe into a spin.

Because of these safety features and the fact that the Ercoupe is so easy to fly, students can receive private licenses in one-third less time than is required by the C.A.A. on conventional airplanes. The plane is small, measuring only twenty feet and nine inches in length and having a wing span of thirty feet.

Ex-Servicemen Are Large Percentage Of Those Seeking Jobs

Of 4,700 applications for employment registered at the New Castle U. S. Employment Service office as of February 1, 1,387 are veterans, manager George R. Gettings stated today.

Most of these veterans are signed up for servicemen's compensation, but are seeking jobs.

GIRL SCOUTS

Troop 3

Girl Scouts of Troop 3, First Christian church, held a Valentine Party Wednesday evening at the church. Following the playing of numerous games and singing songs, the girls were ushered to a table cleverly decorated with red and white crepe paper streamers and hearts. Valentine place-cards were used to mark places for 20. A delicious lunch prepared by the girls who are working on their First-class Hostess Badge, was served. Following this, a card, in the person of Elaine DeRekos, distributed valentines to the girls from a Valentine Mail Box. A piano solo was given by Barbara Wagner. Complete arrangements for the party were taken care of by Dorothea Stimple, Gloria Sleight, Barbara Gilbert, Grace Gilbert, Beverly Carter and Myrtle Zimmerman. Regular troop meeting next week.

Delay Action On Coach Selection

School Board Takes No Action On Naming New Basketball Coach

NEW GYMNASIUM AGAIN DISCUSSED

No action was taken Wednesday night upon the selection of a new basketball coach for New Castle senior high school, but the school board will hold a special meeting on Wednesday night, February 20, if it is possible to get all members out.

Two of the nine members of the board were absent Wednesday night when the matter came up and the members present thought it only proper that a full board should be present to pass upon the matter.

May Buy Property

The matter of the proposed new gymnasium was discussed somewhat when a discussion was held in the matter of purchasing the Henderson property which adjoins the senior high school property on Lincoln avenue. A figure of \$18,000 was quoted as the asking price for the property, and the board voted to make an offer of \$16,000 for it.

Secretary and Business Manager John B. Bechtel reported upon the session of directors and secretaries recently held in Harrisburg. Mr. Bechtel pointed out some recent interpretations of the school code and also told of looking into the application of the board for engineering costs of the proposed new gymnasium.

He said the application was being screened at the present time and when the screening report was made, a decision would be given.

The matter of advertising for new seats for Taggart Stadium was discussed but no action taken. Previously the board was more or less sold on the idea of steel seats. A. C. Hyde suggested advertising for a concrete stand at the same time.

Sorority Rushing To Keep Coeds Busy

Westminster Sororities Not Allowed To Rush Freshmen Who Have Low Grades

NEW WILMINGTON, Feb. 14.—Formal rushing by the six sororities on Westminster college campus will be held Monday through Friday of next week. Preceding the annual rush week the Panhellenic tea will be held in Ferguson hall lounge Friday. All freshman women are invited.

Each sorority is allowed to hold one party. Formal rushing will open with the Alpha Gamma Delta party Monday afternoon. Theta Upsilon and Chi Omega will hold their parties Tuesday afternoon and evening. Beta Sigma Omicron, Wednesday, and Kappa Delta and Sigma Kappa, Thursday afternoon and evening respectively.

A silent period from Thursday to Friday noon will follow the final rush party. Sororities are not permitted to rush freshman girls who have not maintained at least a "C" average during the first semester.

The famous Gutenberg Bible is still preserved in 41 original copies. Each copy is valued at approximately \$100,000.

Lorene Brown Reigns As Queen Of Hearts At Union High School

Miss Lorene Brown, a member of this year's graduating class at Union high school, was crowned "Queen of Hearts" at the Valentine dance sponsored by the sophomore class in the high school auditorium Wednesday evening.

Miss Dolores Donley, last year's "queen" presided at the coronation.

Attended by a large crowd of students, the dance was held amid

colorful decorations of red and white, with a large heart as the center of attraction.

Leona Heckart and Robert Critchlow were winners of the waltz contest held during the evening, with Miss Heckart receiving a lovely corsage. Corsages of red roses and white "mums" were also presented to the sophomore class supervisors, Mrs. Patricia Brettell, Mrs. Bernice Post and Miss Carrie Mae Rentz.

The "Republic Rainbow," sister ship of the famous war fighter, the "Thunderbolt," will appear as a new luxury transport plane capable of flying 40 passengers in a pressure cabin over a long range.

Rev. Burris To Bring Message On Prophecy

Motion Pictures Taken In Europe Previous To World War II To Be Shown At Cathedral

Delivering his first prophetic message since the campaign began in the Cathedral auditorium, Rev. Jackie Burris, evangelist, will speak to his audience tonight at 7:30 on the subject "When God Feeds the Dictators to the Buzzards." Coupled with the message will be motion pictures that Rev. Burris took

during his travels in Europe, which were cut short by the outbreak of hostilities. Among the pictures will be those taken in Germany.

Preceding the prophetic message, the Musical Messengers of the party, the Emily Girls quintet, with Mr. and Mrs. Neil Macaulay will present vocal numbers, also playing on the vibraphone, Cathedral organ, sleighbells, cow bells, trumpet and converted whiskey bottles.

Wednesday evening an audience of 1000 listened to and witnessed a dramatic sermon on "Hindrances to the Church".

More cheese is produced by Wisconsin than by any other state.

Aiken Building Is Leased For Jeweler's School

Following several weeks of negotiation, the New Castle school board on Wednesday night leased to Paul J. Cubbison, for the purpose of using the building as a school for jewelers and manufacturing jewelers. The building will rent for \$150 per month with the school board retaining the right to sell the

building any time after the first year's occupancy.

Under the terms of the lease Mr. Cubbison, his heirs or assigns, will keep the building, heating equipment and electrical equipment in repair, provide all necessary painting and papering and will not make any changes or remodeling without the written consent of the board.

TAKE CARE

COLDS ARE CONTAGIOUS

Colds and respiratory diseases are highly contagious and the greatly increased number of cases causes us to issue this warning in the interest of public health.

GUARD AGAINST INFECTION. Avoid contact with persons who have colds, grippe, and other respiratory infections. Stay out of crowds as much as possible. Wash your hands frequently and thoroughly with soap and warm water. Use only clean eating utensils and drink out of your own glass. Use your own toilet articles.

BUILD GOOD BODY RESISTANCE. Eat a variety of nourishing foods. Drink plenty of fruit juices. Exercise regularly in the open air.

AVOID FATIGUE. Get enough sleep, rest, and recreation. An over-tired body invites infection.

AVOID GETTING CHILLED. Wear clothing suitable to weather conditions. Keep the feet dry. Work and live in well-ventilated rooms.

IF YOU CATCH COLD, get after it immediately. Stay in bed if possible. Keep comfortably warm and dry. Drink plenty of milk, fruit juices, and plain water. Take a laxative if needed. If the cold doesn't yield promptly to ordinary home treatment, call your doctor.

IF A COLD BEGINS WITH CHILLINESS followed by fever and aching, call your doctor immediately.

IN ALL CASES, avoid infecting others. Smother a sneeze or a cough in your handkerchief. Do not expectorate indiscriminately.

Reveal Benefits Received By Lawrence County Boys At George Junior Republic

Gets the Measies

"Fourteen of the sixteen Lawrence county boys who have received the training in American citizenship at the George Junior Republic in the past five years are well on their way to becoming useful citizens. The fifteenth, a paratrooper in the U. S. Army, died a hero's death on a French battlefield. Only one of the sixteen has failed to get straight with his community and is now an inmate in a state mental institution."

Service club members in the current drive for building fund for the George Junior Republic heard the heartening statement from Judge Walter W. Braham, who added: "When our courts send a boy to the George Junior Republic for a period of training in citizenship the action is not a duplicate of the sentencing of an adult criminal to the penitentiary. Sometimes his own delinquency is not in question, but he is sent to the Republic to get him out of a home setting that may develop him into a young criminal."

Two of the boys are now in the U. S. Navy. Of the others, Arthur was the son of poor parents reared in a shack near one of our boroughs. He wanted a bicycle. His drunken father and quarrelsome mother couldn't buy such an expensive thing. Over a period of time Arthur salvaged some parts of a bike from public dumps. Other parts he stole and our court after reviewing the situation sent Arthur to the Republic. He was a different boy on his return home 13 months later. He works regularly and his influence on younger brothers is keeping him in line. Joe, 14-year-old son of a widowed mother, was auto crazy. There was nothing for him in the bare two-room home from which his mother was often absent. He rode as a passenger in an auto "borrowed" for a ride by an older boy. The courts refused to consider him a thief and sent him to the George Junior Republic. Fifteen months training there brought out the manhood in Joe and he is now working regularly in one of our mills supporting his mother like a man.

Such records are common among the 245 boys now crowded into room for 150 at the Republic dormitory, and class room space and a practical gymnasium are needed desperately. In an effort to help relieve this dire need, members of service clubs in Lawrence county are now raising funds by private subscription. Public spirited citizens wishing to help should send checks, drawn to George Junior Republic Building Fund, to Carl Paisley, 241 East Washington street, New Castle, Pa.

WELCOMING KISSES were profusely bestowed on Belita, British actress, singer, ballerina and ice skater, as she arrived in New York by plane from England. Shortly afterwards, Belita came down with the measles in her New York hotel suite, giving her well-wishers something to worry about. (International)

FORECAST BASIS FOR SETTLEMENT OF STEEL STRIKE

CLEVELAND, Feb. 14.—(INS)—Steel producers, generally, were prepared today for an expected announcement of a settlement in the steel wage-price policy on the basis of an average \$5 to \$5.50 a ton increase in steel and an 18½ cent hourly increase for steelworkers.

These, according to a spokesman for the magazine steel in Cleveland, are the settlement figures going the rounds among the producers, with the only remaining question mark being "when do the strikers return to work and how will the retroactive feature of the wage increase be figured?"

A pessimistic attitude also will continue to be maintained, the spokesman said, on how the 28,000 metal fabricating companies view the increase in the cost of steel as well as demands for an 18½ cent hourly increase by their own three million or more employees.

Builders Ready For Dance Friday

Arrangements Are Completed At Meeting Of Chapter In The Cathedral Wednesday

With a large attendance present, the regular meeting of New Castle Chapter, Order of The Builders, was held in The Cathedral, Wednesday evening.

Plans were completed for the Valentine Novelty dance of the order, which will take place in The Cathedral, Friday evening, and guests are expected present from many surrounding points. Master Builder Ronald Stoddard announced.

Rapido River Attack Appears Closed Affair

WASHINGTON, Feb. 14.—(INS)—Members of the House Military Affairs committee appeared ready today to consider the 36th Division's costly Rapido river attack in Italy a closed affair.

Despite recent demands for a congressional investigation, the committee membership apparently is prepared to follow its chairman Rep. Andrew J. May (D-Ky.), in the opinion that a probe of the Italian campaign incident would serve no good purpose.

Special Lincoln's Day Service Held

Chapel services were held Tuesday evening at the Jameson Memorial hospital nurses home when a candlelight ceremony was led by Miss Helen Rodemeyer.

Dr. D. L. Ferguson of Highland U. P. church was the speaker and had as his subject "Abraham Lincoln's Life in Relation to Everyday Christian Living."

As a memorial service to Mrs. Claude Swartz, mother of Miss Mabel Swartz, a classmate, Miss Helen Vancouver sang Schubert's "Ave Maria."

Miss Lorette Garver was pianist for the evening.

Begins Sentence For Blackmailing

PITTSBURGH, Feb. 14.—(INS)—Reynold Chelkis, 29-year-old AWOL soldier, who attempted to blackmail the widow of slain Gus Gianni of \$2,000, today was in the Western Penitentiary where he began a two and a half to five year sentence.

Chelkis was sentenced yesterday by Judge William H. McNaugher.

Upon completion of his prison sentence the former army private, who promoted himself to a captain, will face army charges of being AWOL and impersonating an officer.

**New Castle Schools
Receive \$55,358 As
Share Of Funds**

Property Sale Money Is Allotted:
Other Action Taken At School
Board Session

New Castle's school district picked up \$55,358.11 Wednesday night, its share of the property sale money which has been held in trust by the county commissioners for some time. The check represents the share of the board as compiled by Andrew M. Dodds, county controller.

The money has been accumulating in the county treasury for several years awaiting a disposition order. Recently the court ruled on the issue, setting down the manner in which distribution should be made. The check will probably be forthcoming within a few days.

Advertisements for eight sewing machines for use in the home economics department of the system

were authorized by the board at the meeting Wednesday night.

John B. Bechtel, secretary and business manager of the board, was authorized to advertise for supplies for the school year of 1946-47.

About \$960,000 worth of fire insurance upon school buildings will expire on May 1 and must be renewed. The board decided to review all the insurance allocations before entering into contracts.

A motion was adopted to carry insurance upon the trucks of the school district. While it is thought the system is not responsible for damage through accidents, the board feels that it is only fair to protect the public against accidents which might occur. Recently a school truck hit a passenger car and did some damage.

An increase of ten cents per ton in the price of coal was announced. Two scrubbing machines were authorized from the Kent Co. of Rome, N. Y., at a price of \$135 each.

A pea-sized pellet of anthracite weighing one-sixth of a carat contains one British Thermal Unit of heat, enough to raise the temperature of one pound of water one degree Fahrenheit.

**CHECK-UP TO BE
STARTED ON DOGS
HERE NEXT WEEK**

Dog Owners Who Have Unlicensed
Canines Will Be Prosecuted
Without Exception

Starting February 20, a general checkup will be started for owners of unlicensed dogs. H. E. McLure, dog law enforcement agent here, has been informed by Dr. C. P. Bishop, director of the Bureau of Animal Industry of Pennsylvania. All persons owning or harboring unlicensed dogs will be prosecuted without exception. The minimum fine is \$5 and costs of prosecution, and the maximum fine is \$100 and costs, or 30 days in jail.

All dogs not bearing a current 1946 license tag are considered as stray dogs and may be disposed of by any officer on sight. The law requires the owner to put the license on the dog's collar, which must be worn by the dog at all times.

A fee of \$2 is paid by the commonwealth to officers and constables for each stray dog disposed of, forms for reporting the same being available by the local enforcement officer, or may be secured through the dog law division of the Bureau of Animal Husbandry.

**Housing Survey
Reports Awaited**

While no returns from the Greater New Castle questionnaire had been received early today, the reaction to the housing survey started by the GNCA seems to be good. The association is surveying the housing situation in an effort to relieve the shortage, particularly among returned veterans.

Veterans who need housing quarters are asked to fill in the questionnaires and mail them immediately to the GNCA offices in The Castleton Hotel. With a picture of the need the GNCA will then be in position to aid in getting housing facilities.

Find Seven-Year-Old Allen Williamson Dead In Open
Air Fire Place

BELMONT, Mass., Feb. 14.—(INS)—The body of seven-year-old Allen Williamson, who disappeared yesterday while searching for his pet cocker spaniel, was found today in an open air fire place near his Belmont home.

Announcement of the discovery was made by police.

There were no further details immediately, other than a routine announcement that the medical examiner has begun an examination to determine the cause of death.

Discovery of the body climaxed an all night search for the missing youngster by police and neighbors. The boy was the youngest of four children of Mr. and Mrs. Leslie W. Williamson, Jr.

**Charge Yugoslav
Prisoners Of War
Deliberately Frozen**

By GEORGE HERALD
(U. S. Staff Correspondent)

NUERNBERG, Feb. 14.—A grisly story was told today of how the Nazis in Norway made "ice statues" out of 880 Yugoslav war prisoners, freezing them to death in shrouds of water.

The testimony was in the form of a Yugoslav government report introduced at the continuing trial of accused Nazi war criminals.

Col. Yuri Pokrovsky, assistant Soviet prosecutor, presented the gruesome indictment. The incident took place in a prison camp at Boten near Rognan in northern Norway. The report said:

"The prisoners were buried naked up to their waists.

"Then water was sprayed upon them until they became frozen monuments to German infamy."

**Report 276 Injured
By Algerian Quake**

PARIS, Feb. 14.—(INS)—The French Press Agency said today that 276 persons were injured or rendered homeless by an earthquake which rocked an area southwest of Constantine, Algeria, on Tuesday.

Doctors and medical supplies were reported en route to the area on railroads.

The strong shocks, lasting 27 minutes, were recorded in Florence, Italy, more than 1,200 miles away.

The American Infantry Division, the only one assigned overseas during the war without an official number, derives its name from a combination of the words American and New Caledonia.

**DEMOBILIZATION
WILL CONTINUE
ON LARGE SCALE**

WASHINGTON, Feb. 14.—(INS)—More than one million 800 thousand soldiers were scheduled today for discharge from the army within the next four and one-half months.

This scheduled departure from the service was based on Secretary of War Patterson's announcement that army strength will be dwindled to less than one million, 200 thousand after June 30.

Preliminary figures disclose that the army now is approximately three million strong.

The war department observed earlier that the six millionth soldier was returned to civilian life when the army demobilization program rounded out its ninth full month of operation on February 12.

Discharge by June 30 of one million 800 thousand additional servicemen is required to effect release of the total seven million, 800 thousand which Patterson expects by that date.

New Postwar Store Has Been Arranged At Present Location
On North Jefferson St.

Announcement is made today by Sears, Roebuck and company, of the opening of their new Post-war store at the present location, 26 North Jefferson street, on Friday.

During the past few weeks, the store has been completely renovated and re-arranged, more space being devoted to many of the departments than heretofore, and in them has been placed a great variety of articles which have been very scarce, or impossible to get at all during the war period.

Manager Charles M. Bashey expects a great many visitors on the opening day of this handsome newly-arranged Post-war store, and has made arrangements accordingly with a staff of trained sales personnel ready to care for the visitors.

Articles which are not on display in the store can be ordered through the mail order department, which has long been a feature at the store.

NEW EFFORT TO END CAR STRIKE AT LANCASTER

LANCASTER, Pa., Feb. 14.—(INS)—The nine-day-old Lancaster transportation strike was scheduled to be marked today by the efforts of the U. S. Conciliator John Murray to end the walkout which has forced the Conestoga Transportation company to limit service.

Murray, who has heard the strikers' side of the contract dispute from representatives of the Street Car Men's Union (AFL), said he would confer with utility officials today.

A public meeting was slated to be held tonight by 22 affiliates of the Central Labor Union to present the strikers' case. President Miles Messerman said company officials and Acting Mayor D. W. Coulter had been invited to the meeting.

The dispute was highlighted yesterday by a company report stating that more than 10,000 passengers had been carried on 23 buses offering token service on all but two of the lines operated in the city. Fifty-five non-union operators have returned to their posts, the company asserted. The utility normally hauls 60,000 persons daily.

BUSINESS MAN AS SUCCESSOR TO ICKES URGED

PHILADELPHIA, Feb. 14.—(INS)—The American Institute of Small Business today urged President Truman to name a "high-grade" business man as successor to Harold E. Ickes as secretary of the interior.

A statement issued by the institute, which represents American businesses employing less than 500 persons, contended that a business man would be "best equipped to deal with the problems relating to business."

"We feel," the statement said, "that sooner or later, the President will be forced to appoint high grade business men to positions of importance in the government, particularly during the reconversion period."

Departure of the Children of Israel from Egypt.

"He hath made His wonderful works to be remembered."—Psalm 111:4.

By NEWMAN CAMPBELL
(The International Uniform Lesson on the above topic for Feb. 17 is Deuteronomy 1-4, the memory verse being Psalm 111:4. "He hath made His wonderful works to be remembered.")

In the first three chapters of Deuteronomy Moses reviews the history of the Israelites during their wanderings to take possession of the homeland God had promised them. This occurred after he had slain Sihon, king of the Amorites which dwelt in Heshbon, and Og, king of Bashan, Og, by the way, is described as a giant who slept in a bed 13½ feet long and six feet wide.

Moses reminded them how he had appointed 12 men to go and spy the promised land and how all but Joshua and Caleb had been afraid to go in and conquer the land their God had promised them; that later against God's instructions, they attempted to take it, and failed.

Moses also told them of his despair over their many failings, and how he had interceded with the Lord for them, and because of these sins of his people, the Lord would not let him go into the promised land. Moses begged, "I pray Thee, let me go over, and see the good land that is beyond Jordan, that goodly mountain, and Lebanon."

"But the Lord was wroth with me for your sakes, and would not hear me; and the Lord said unto me, Let it suffice thee: speak no more unto Me of this matter." It is said more prayers as uttered by Moses are recorded than by any other one man in the entire Bible.

Gets Look at Land
Moses was told to get up into the top of Mt. Pisgah, and take a good look at the promised land, but that "thou shalt not go over this Jordan."

"And now, O Israel, hearken unto the statutes and unto the ordinances, which I teach you, to do."

American Soldiers Wounded In Riot In Calcutta, India

CALCUTTA, Feb. 14.—(INS)—Two of 19 American soldiers injured during an attack by anti-British rioters on a U. S. truck convoy were detained for treatment today as tension eased in Calcutta after three days of street fighting.

In line with U. S. policy of avoiding entanglement in the outbreaks which have cost 32 lives and injured more than 300 persons, American military police accompanying the convoy enroute from Kancharapara to Calcutta withheld their fire during the attack.

Six American officers and 32 enlisted men have been injured during the three days of fighting.

State Dog Law To Be Enforced

HARRISBURG, Feb. 14.—(INS)—The State Agriculture department announced today that it had begun a state-wide drive to rigidly enforce the commonwealth's dog law.

Secretary Miles Horst pointed out that although the licensing law was January 15, "thousands of owners have neglected to obtain 1946 tags" from county treasurers.

Licenses cost \$1 for male canines and \$2 for females, he said. During 1945, a total of 606,763 dogs were licensed in the state and more than 60,000 unlicensed dogs were killed by law officers.

Local police officers receive a \$2 fee from the state for killing unlicensed dogs.

Four More From County Sign Up At Westminster

NEW WILMINGTON, Feb. 14.—Four more students from the New Castle area have registered for the second semester at Westminster college.

Attending classes are James Minick, son of Mr. and Mrs. Edgar J. Minick of R. D. 5; Jesse Donald Bank, son of Mrs. Lila E. Bank of 204 North Ray street, New Castle; David H. McHenry, son of Mr. and Mrs. C. L. McHenry of 444 W. Nashanock avenue, New Wilmington, and Dean Kolesar of Landon avenue, New Wilmington.

McHenry, recently discharged from the army, is returning as a senior. He is a former Holcad editor and member of Kappa Phi Lambda fraternity. Minick is a transfer from Penn State university.

Manila Waterfront Tieup Comes To End

MANILA, Feb. 14.—(INS)—The 13-day tieup of Manila's waterfront was ended today when striking stevedores accepted a 50 per cent pay increase. The stevedores had demanded a 100 per cent increase but settled for the lower figure.

ROCKET-FAST QUICK STARTING

PLUS AN INCOMPARABLE SMOOTHNESS

HERE'S WHY ONLY DYNAFUEL GIVES YOU THIS PLUS
ALL gasolines (including Sunoco Dynafuel) are composed of "light" and "heavy" molecules. As the gasoline goes into the cylinders from the carburetor, some of the "heavy" molecules separate from the rest of the gasoline and go to certain cylinders which get most of the "heavy" molecules while other cylinders get mostly "light" molecules.

ORDINARY GASOLINE HIGH OCTANE MOLECULES LOW OCTANE MOLECULES

SUNOCO DYNAFUEL ALL MOLECULES ARE HIGH OCTANE QUALITY

SUNOCO DYNAFUEL

IN ORDINARY GASOLINE the "heavy" molecules are low in octane quality but the "light" molecules are high octane. The cylinders receiving the low grade "heavy" molecules do not receive the same high knockless quality as other cylinders.

IN SUNOCO DYNAFUEL, all molecules, both "heavy" and "light" deliver equally high octane power. No matter whether a cylinder receives "light" or "heavy" molecules, that cylinder and all cylinders receive uniformly high knockless quality.

Proud Of Ancestors? Watch This Family Tree Develop

WASHINGTON, Feb. 14.—(INS) After 250 million years of comparative obscurity our alleged great, great, ever-so-great grandpappies today are getting a break.

The Smithsonian Institute is embarking on a five-year study of our alleged ancestors; the trilobites, the brachiopods and the cephalopods. They will be stripped of the silica and studied by Smithsonian scientists.

Grandpa Was All Wet

The study will include the end of the Paleozoic period, better known as "the age of old life," and the Permian period when the alleged forefathers allegedly slithered out of the slime and thumped their tails on dry land.

In a 250 million year flashback the Smithsonian researchers describe in this way:

"At this time many forms of animal life which were present in the beginning of fossil records, about a quarter of a billion years before, disappeared and in the next age their places were taken by creatures who are more or less close ancestors of present living things."

"Many of the Permian fossils are imbedded in limestone but are themselves made up of silica. Great chunks of limestone can be placed in a tank of hydrochloric acid, which eats away the limestone but leaves untouched the silicified shells and even the delicate spines of the ancient animals."

The alleged ancestors will be tanked in the Glass mountains of west Texas where the exploratory operations will take place.

The Smithsonian expects to be able to trace the rise and fall of the trilobites and the cephalopods during the study.

Only a few of the brachiopods were able to make the grade in the transition between the Paleozoic mountain building age and the Permian age of evolution, which ended in fires and earthquakes, according to the scientists.

Sounds as if great, great, ever-so-great grandpappy got all four paws on an atom bomb.

BRUSHING KEEPS FELT HAT IN GOOD CONDITION

Winter hats need attention and care to give them that well-groomed appearance. Most of these hats are felt and are comparatively easy to care for.

Whether a hat is worn every day or only occasionally, dust collects on the crown and brim and gives a careless, untidy effect. Brushing the felt with a hat brush immediately after each wearing makes it ready for the next wearing. Always brush with the nap of the felt to keep the smooth slick effect.

Dusty hats are worn in the rain, the dust mixes with the water and the strain the felt. Wallpaper cleaner may be used to clean light colored felts.

Hats should be kept on stands to preserve the shape of the crown and brim. Regular hat stands may be bought, but cones made of lightweight cardboard or cereal boxes may be used. Crushed tissue paper in the crown also may be used. Special occasion hats or those worn infrequently should be kept covered, either in a box or under a cover.

When hats become wet with rain or snow, they should be given prompt attention if they are to retain their shape. Shake off the moisture, then place on a hat stand to dry or stuff with crushed paper so that the brim is off the table. Carefully work the brim into its original shape and let it dry in a cool place. Men's hats when wet should have the brim rolled up smoothly and evenly all the way round and the dent in the crown smoothed out until dry. The crease in the crown and the snap to the brim may be adjusted when dry.

Ribbons on both men's and women's hats may be washed in soap and water or they may be sponged with dry cleaning fluid. Pressing should follow the washing.

The goat-antelope, the pronghorn of western North America, formerly ranged from the Mis-

CAN'T KEEP GRANDMA IN HER CHAIR

She's as lively as a Youngster—Now her Backache is better.

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 60 years. Doan's gives happy relief and will help the 16 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Beauty Contests Are Fakes, Says Contest Promoter

Girls Expect Hollywood Offers, End Up Slinging Hash, Promoter Asserts

By RUTH BINGHAM
 MIAMI Fla., Feb. 14.—(INS)—Bathing beauty and "Queen For A Day" contests ought to be outlawed nationally, says the dean of beauty contest promoters.

Lloyd Butler, who has sent more girls to Atlantic City and "Miss America" contests than any other promoter and who once turned down Veronica Lake because she was "dumb," says:

"All contests are fakes. Girls are built up and exploited just to sell something, and then dropped like a wet blanket when the deal is over. But it isn't over for her. The pretty but dumb little thing has been sold herself on those fabulous press-agent stories built around her, and she believes them. She quits her job with stars in her eyes and sets out for Hollywood or New York—to sell hash."

One Beauty In 20,000

Butler says there is only one really beautiful girl in every 20,000. He is trying to add that by beautiful he means one who has everything—face, legs, bust and the "works" plus brains.

Yes, brains have taken their place in the scheme of things, and talent will play a big part in the selection of the "Miss America" of the future, muses the ruddy-faced man to whom a girl is either a "winner" or "cock."

He points to Jean Bartel, 1944 California winner, as the brainiest "Miss America" yet. She now is in New York, playing in "Desert Song."

Butler believes that fond mothers are the biggest suckers in the world. "A mother thinks her daughter the most beautiful thing that ever lived. She pushes her on. The result is a beauty contest, badly-hood—and let-down eventually."

He says the reason a beautiful girl is dumb is because she has been told so many times of her beauty she begins to live in a world of make-believe, a cloud of unreality, and it is impossible for her to know what is going on around her—or to care.

In Florida there's a "queen for practically every day" which Butler says is just "filling girls with a lot of nonsense and then dropping them. After that, they want to keep replenishing the contest wardrobes—and somebody's got to pay for them."

Boy Scouts Have Annual Event

Impressive Dinner At George Washington School Honors National Scout Week

COURT OF HONOR FEATURE OF MEETING

Over four hundred Boy Scouts, representing 14 troops, along with their scoutmasters and officials of the Lawrence County Boy Scout Council, attended a tureen dinner at the George Washington high school last night, as a feature of national Boy Scout week.

Andrew Dodds, of the district camping and activities committee, acted as the chairman for the affair, and presided as toastmaster at the dinner.

After the invocation by Dr. G. S. Bennett, pastor of the First Christian church, Mr. Dodds delivered the opening statements at the dinner and then introduced Dr. Bennett who made the main address.

"Never before has the need been so great for trained Christian citizens," said the pastor to those assembled. He then went on to build his address around the Boy Scout oath which stresses duty to God, country and himself.

"In a world that is building for peace, we have to look towards the Boy Scouts of America for our leaders of tomorrow," Dr. Bennett said.

Court of Honor
Feature of the evening was the court of honor, giving awards and promotions to many of the scouts present.

Scouts elevated to the second class rating from tenderfoot including Gaylord McKissick, Troop 3; Bill Hauschild, Troop 5, and Lawrence Downs, Troop 6.

There was one first class scout award to David Horcher of Troop 9, and one Star Scout award, to Kenny Smith, Troop 3.

Life Scout promotion was given to Wallace Downs, Troop 1 (33) and John Hickey of Troop 3, while the only Eagle Scout award went to Marvin Levy of Troop 3.

Promoted to senior patrol leaders were Paul Simon and John Brinton of Troop 18, while gold Eagle palms were given to Charles Wing, Troop 3.

Merit Badge Awards
The following scouts received merit badge awards: Charles Wing, Troop 3; Marshall Conn, Troop 5; Robert DeLancey, Troop 5; Glenn Patrick, and Richard Pitzer, Troop 9; Paul Simon and John Brinton of Troop 18; Jim Walker of Troop 27, and H. I. Lamphier, scoutmaster of Troop 5.

Training certificates for having successfully completed their troop camp course were given to H. I. Lamphier and W. J. McCluskey, both scoutmasters.

Recreating Awards
For recruiting and training a new scout during December and January, the following scouts received a red and blue bar: Kenneth Sikes, Lee Simpson, Dwight Mowry, Martin Hornung, Bill Leslie, Paul Simpson, David Lamphier, Dick Pitzer, Tom Patrick, Manuel Gonzalez, John Danako, Gerald and John Anderson, David Locke, Bill Kinnard, Bob Brinton, Charles and Dale Robinson and Merle Phillips.

Following the court of honor interesting films were shown, two of them from the field and stream library, and the third a technicolor reel "Wings Over Pymatuning," which portrayed wild life at the Greenville dam.

The scout oath and dedication led by Thomas G. Allen concluded the evening.

SCRANTON—The Hudson Coal Company has been considering the purchase of surplus army tanks for use as mobile cranes at its various mines.

The horse race known as the Futurity Stakes derives its name from the fact that the entries must be made before the horse is foaled.

ANNUAL MEETING OF PAST EXALTED RULERS OF ELKS

John P. Harris Is Named President
Of Group At Dinner: Degrees
Conferred On Large Class

At the annual dinner meeting of the Past Exalted Rulers of the Elks, held in the Elks Home, Wednesday evening, John P. Harris, was named president for the coming year, with Walter C. DeArment being chosen secretary. C. W. Herman Hess presided at the dinner meeting, which was attended by 19 Past Exalted Rulers, after which the groups repaired to the lodge room, where they filled the chairs and conferred the degrees of the order on a class of 35 candidates. David Rowe, of the Greenville Lodge, and Arthur Carpenter, of the Elks Lodge of New Castle, were special guests.

Occupying the chairs during the initiation ceremony were: Exalted Ruler, Abe Levine; Esteemed Leading Knight, John P. Harris; Esteemed Loyal Knight, Walter C. DeArment; Esteemed Lecturing Knight, William J. Usselt; Chaplain, Floyd M. Houk; Esquire, Edward J. Ryan; Inner Guard, Benjamin Agnew; Tyler, Thomas E. Dukes; Treasurer, Bertram Davis; Secretary, Verne R. Carr; Trustees, George W. Thomas, of Youngstown; John Hite, Stephen Kleckner, Louis Christy, of Cleveland, O.; Dr. W. Fulton Jackson, Jacob Cosel, C. W. Herman Hess, Wilbert J. Chapman and Edward Connelly.

Jacob Cosel, the oldest Past Exalted Ruler, who recently observed his 88th birthday, gave the toast to the class during the initiatory work.

Moose Building Fire Swept At Greenville

GREENVILLE, Feb. 14.—(INS)—The loss at more than \$100,000, wiring of the motor of a freight elevator was blamed by firemen as the cause of Greenville's most destructive fire in years, when the Moose building, here, was gutted, Wednesday.

Fire companies from Sharon, Jamestown, Mercer and Camp Reynolds arrived to assist the Greenville Fire department.

Loss to the Greenville Lodge No. 276, Loyal Order of the Moose, alone was \$10,000 in addition to the loss sustained by other tenants of the building.

Children had to stand at the table while eating, according to a dining custom of colonial times. In some families, they had to take their place behind their parents and food was passed back to them.

ROCHESTER'S BOAT TOWED TO SHORE

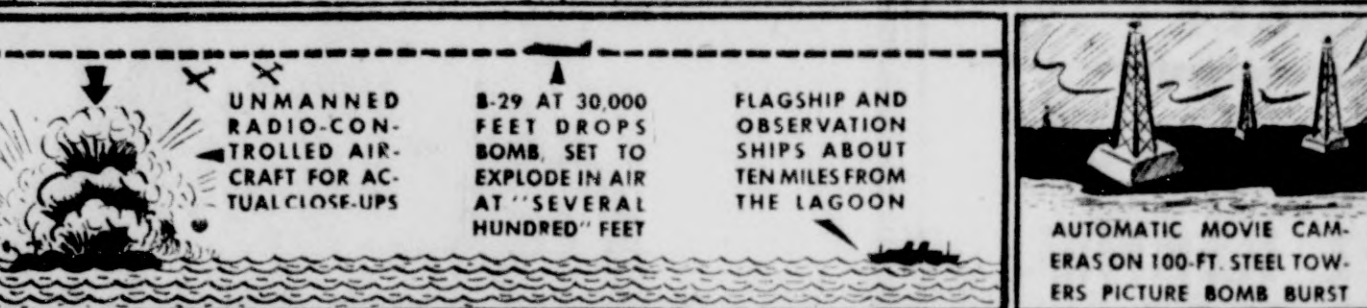

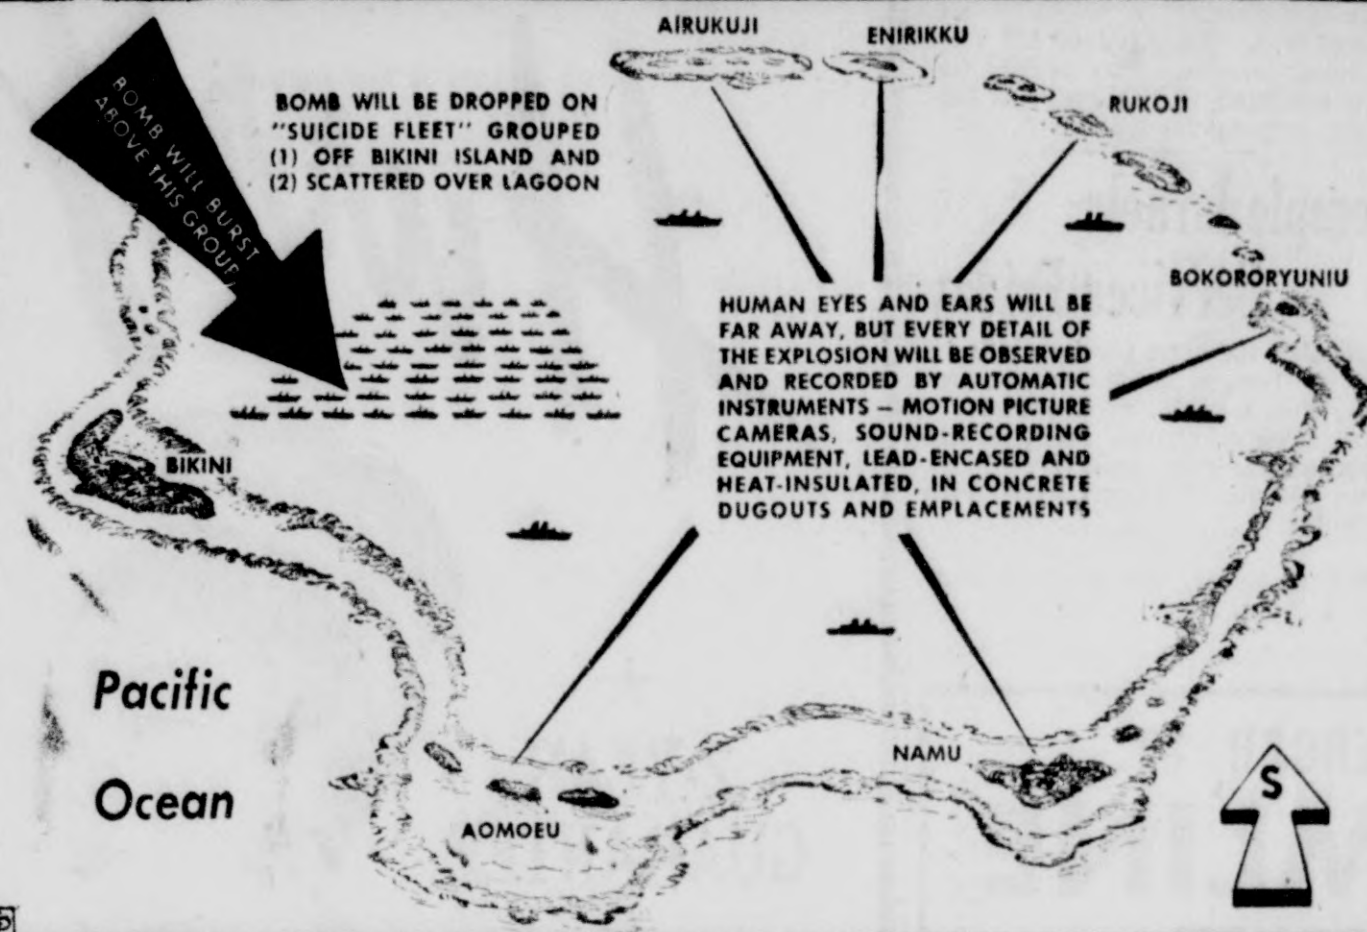

SAN PEDRO, Calif., Feb. 14.—(INS)—Eddie Anderson, the Rochester of the Jack Benny radio show, was back on dry land today after being rescued in the Catalina channel.

The negro comic and two companions, Richard Platt and Harry Taylor, adrift in the channel since Tuesday, were towed into port aboard Anderson's motor cruiser, the "Edna", by a fishing boat late yesterday.

The "Edna", a 36-foot craft recently purchased by Anderson, broke a propeller shaft while en route to Catalina island.

The town of Gibraltar, located at the famed British naval base, has a population of about 20,640. The Spanish town of La Linea de la Concepcion, which is generally considered a suburb of Gibraltar, has a population of more than three times that of Gibraltar's—63,236.

BIKINI ATOLL—WHERE SHIPS WILL TEST ATOMIC BOMB

HERE'S AN ARTIST'S PREVIEW OF "Operation Crossroads"—the atomic bomb burst over the "Suicide Fleet" at Bikini Atoll in May. At the moment pictured, scientific equipment is recording, measuring and observing the blast. Unmanned, radio-controlled aircraft are flying close with some of the equipment. Batteries of automatic motion-picture cameras on steel towers are picturing the burst. Others in tight, waterproof boxes encased in lead are photographing the scene through portholes. All camera shutters are operating behind protective shields that are opening and closing constantly. Photographic film and instruments are insulated against the steel-fusing heat of the blast. Living observers are 10 miles from the target. Scientists have predicted that when this scene is realized, 1,000-mile winds, 100-foot waves and unworldly temperatures may obliterate the "Suicide Fleet" and all the man-made installations and equipment.

Two Teachers Resign Places In City Schools

Fred Leslie Is Named As Assistant
Principal Of Senior High School

Two resignations of teachers were accepted by the school board on Wednesday night, the two being Helen R. Bruce, of Thaddeus Stevens school, and Miss M. Helen Maloney, of George Washington Junior High school.

Mrs. Leona Crenney was named as instructor for orthographic backward teacher for the North Street school. Upon the recommendation of Superintendent Frank L. Burton, Fred Leslie was named as assistant principal of the Senior High school.

Superintendent Burton suggested that it would be a good thing each year if each teacher in the system could visit some other system for a day and see what was being done in other schools. This plan will be adopted and the teachers given a one day leave, the plan to be staggered so that not a large group of teachers is absent at any one time.

A report of employment certificates issued in the past six years was made and the influence of the war is clearly seen.

In 1940 there were but 175 certificates issued. In 1941 the number rose to 354, in 1942 570, in 1943 1019, in 1944 1331 and in 1945 1082.

The board approved the expenditure of \$7,609.37 for incidental expenses during the past month.

The average attendance for the month of December was shown to be unusually low, due to illness. The percentage was 78 on an enrollment of 7,878.

Sgt. E. Altobelli Granted Discharge

Army Air Corps Serviceman Arrives Home After Two Years
In Hickam Field, Hawaii

Sgt. Eugene R. Altobelli, aged 22 years, son of Mr. and Mrs. Nick Altobelli, of DuShane street, received his honorably discharge, at Camp Aterbury, Ind., following 34 months service.

The young army air corps serviceman served for two years at Hickam Field, in Hawaii, while overseas.

In the near future he plans to enroll in a college, where he will major in electrical engineering.

Seniority Rights Of Vets Discussed

PITTSBURGH, Feb. 14.—(INS)—Seniority rights of veterans marked today's activities of the wage scale convention of district five of the United Mine Workers of America. Resolutions pointed out that, although a war veteran should receive seniority credit for his service time, it would be unfair to the older miners to have men with less seniority replace them.

The convention went on record opposing the Case bill, now before the Senate, and asked members to bring pressure to bear to defeat it.

The Roman roads were made by the Roman armies and forced a very important factor in the extension of Roman power and the spread of the Roman civilization.

trend. The old "Roses are red, Violets are blue, Sugar is sweet and you know what you are", is being replaced with a snappy bit of dialogue such as "What's cookin', Good-lookin'," or some similarly touching sentiment.

To say the least, the 1946 valentine versus are more blunt and to the point—more in keeping with the war, the jet-propelled plane, the atom bomb and the consequential lack of inhibitions among this generation's youngsters.

Nevertheless, there's still a definite inclination to stick to the old, somewhat sentimental style.

After wearying of the gnashing of grandparents' teeth, this correspondent conducted a one-man survey and discovered the love and friendship messages on sale for delivery today still were dominated by such as this:

Some of Sentiment
"It's mighty funny, sweetheart, how the little things you do, always make me happy, and keep me that way, too!"

Or this:
"Just a valentine to tell you, that I like you very much—then to let you know I'm hoping that we always keep in touch."

It's true, of course, that every now and then you encounter one like this!

"Hey, Hey, baby, shake a hoof! This valentine is on the beam—let's cook up a rumba team!"

But then, that sort of thing is only a natural sign of the times. And after all, those are especially noticeable during and after wars. It was the last war that did away with those beautiful lacy numbers grandma used to get on February 14, according to Harry Schulman, an official of Greeting Cards, Inc.

Harry points out that most of those elaborate valentines were made in Germany, so they sort of went out of style in 1917. Some racy little love messages showed up that year, too, what with the shortage and everything.

Pfc. Harold Flaughter Granted Discharge

East Side Soldier, Twice Wounded
In Action, Recovers And Is
Now Discharged

Recently receiving his honorable discharge from the Thomas M. England Hospital, Atlantic City, N. J., Pfc. J. Harold Flaughter has returned to the home of his parents, Mr. and Mrs. R. C. Flaughter of 730 East Washington street.

Pfc. Flaughter had been in the service three years, and overseas one year in the Italian Theater of Operations. He was twice wounded in the Anzio Beachhead battle, and was hospitalized for twenty months in the United States.

Harold has been awarded the Purple Heart decoration with Oak Leaf Cluster, ETO Ribbon with two Battle Stars, American Theater Ribbon, Good Conduct Medal, Victory Medal and Combat Infantry Badge.

On February 9, 1942, Pfc. Flaughter enlisted in the service, while a junior in the New Castle high school. Since that time he has completed his high school work, while being a patient in the hospital. He expects to graduate with the local high school class in June.

A brother, Lieut. Ralph R. Flaughter of the air force in the China area, has advised his parents that he expected to leave China January 8, and be in the United States sometime this month.

Ickes Holds Record For Long Service

WASHINGTON, Feb. 14.—(INS)—Harold L. Ickes holds the all-time American record for service in the presidential cabinet.

Ickes took office March 4, 1933 and steps out Feb. 15, 1946. This gives him a cabinet tenure of 12 years, 11 months and 11 days.

His nearest rival was Gideon Granger, who served as postmaster general for 12 years, three months and 17 days in the cabinets of Presidents Jefferson and Madison.

TO MAKE 8000 IDLE

WINDSOR, Ont., Feb. 14.—(INS)—The Ford Motor company of Canada, Ltd., announced 8,000 production workers at its Windsor plant will be idled Saturday at the steel shortage.

W. H. Clark, personnel manager, said the last workers will leave the plant at midnight Friday. Maintenance employees will keep the plant ready for operation when steel is available.

The radish is thought to have originated in Asia.

Pfc. William Church Granted Discharge

Brother, J. P. Church F 1-c, On
Leave: Pfc. J. E. Church Makes
Supreme Sacrifice At St. Lo

Among those recently discharged is Pfc. William Church of the transportation corps, stationed at Camp Kilmer, N. J., and home with his parents, Mr. and Mrs. Wayne Church, 217 Bluff street. His wife Barbara resides at Elizabethton, Tenn.

Pfc. Church was in the service 38 months, and was formerly employed by the Morrison-Knudsen company in Alaska. He received the good conduct and victory medals and American theater ribbon.

A brother, John Paul Church, F 1-c, is on 30 days leave from the China theater, visiting with his parents. He has been in the service almost two years and overseas 14 months.

He is attached to the U. S. cruiser Wilkes-Barre.

Fireman Church wears the Asiatic-Pacific ribbon with five battle stars, Philippines Liberation and American theater ribbons and victory medal.

He was in the employ of the Sherrill Pottery company before joining the service. Upon the conclusion of his leave he will report to San Pedro, Calif., for further assignment.

Another brother, Pvt. James Edward Church, lost his life in the battle of St. Lo, Normandy, on June 16, 1944.

TRANSIT BOOST TO COST MILLIONS

PHILADELPHIA, Feb. 14.—(INS)—Officials of the Philadelphia Transportation Company today figured that the settlement of the CIO-Transport Workers strike would cost the firm an additional four million dollars yearly.

The firm based its estimated on

the granting of a 12 cents an hour pay raise plus the cost of the liberalized pension plan.

Meanwhile, all trolley cars, buses

and subway-elevated trains were reported running on their normal schedules following settlement of the two-day strike.

Rescue Student In Yosemite Park

YOSEMITE, Calif., Feb. 14.—(INS)—William P. Jacobs, 26-year-old engineering student, was hospitalized today after being rescued from the snowbound wilderness of Yosemite National Park.

Shivering and almost famished, Jacobs was rescued by forest rangers yesterday after spending 11 days in a vain attempt to find his way out of the snow-covered terrain of the valley.

Jacobs started out on a skiing jaunt February 2 and was caught in a heavy snow-fall which made the route impassable.

Although he was very weak from hunger, Jacobs was surprisingly alert and cheerful according to his rescuers. He said he subsisted on lichen, a moss-like plant which grows on rocks and trees.

At W. B. Lewis Memorial hospital where he was rushed physicians said two of Jacobs' toes were slightly frost-bitten but that, otherwise, he was in fairly good condition.

Lt. Frank R. Masters Gets D.F.C. Award

Discharged West Side Airman, Shot Down, Former German Prisoner, Receives Decoration

Recently the Distinguished Flying Cross was presented to Lieut. Frank R. Masters, son of Mr. and Mrs. Harry Masters of 921 Carson street. The citation follows:

"For extraordinary achievement while flying as wing for a Fighter Group Leader on a Bomber Escort Mission November 26, 1944. When the heavy bombers were attacked by a superior force of enemy fighters, Lieut. Masters immediately joined combat, and on three separate occasions destroyed a enemy aircraft. The superior flying skill, courage, and aggressiveness displayed by Lieut. Masters in destroying enemy aircraft reflect the highest credit upon himself and the armed forces of the United States."

The award was made January 4, 1945 but the presentation had to be postponed on account of Lieut. Masters was shot down and made prisoner by the Nazis on January 20, 1945.

He was pilot of a P-51 and made forty-one missions. He has also received the Air Medal and eight Oak Leaf Clusters.

Lt. Master was prisoner of war in Germany, and returned to the U. S. May 31, 1945. He was honorably discharged August 1945. He is a graduate of New Castle High School, and was on the varsity football team for two years.

Promises Army Under 1,200,000 After End Of June

WASHINGTON, Feb. 14.—(INS)—Secretary of War Patterson said Wednesday that the ultimate strength of the army to be required after June 30 will be under one million 200 thousand men and will be announced shortly.

Speaking at a National Press club luncheon, Patterson said that schedules reducing the army to one million, 500 thousand men by June 30 will be adhered to.

By that time seven million, 200 thousand men of the war-time strength of eight million, 300 thousand will have been discharged or on their way to discharge.

The figure, he added, will include all men with more than 40 points or more than two years' service.

He explained that the one million 500 thousand mark was fixed by the requirements of field commanders who will be able to reduce their forces gradually as urgent problems of occupation diminish.

He noted that he discovered many tasks now being performed in Japan, such as the discovery and destruction of concealed ammunition which will diminish as time goes on.

Month Of Festivity For Henry Home Children

As their second party in one week, the children at the Margaret Henry Home are celebrating Valentine's day with a special dinner and a Valentine box this evening.

Decorating the dinner table, there is a pink and white cake as well as Valentine favors made by the children themselves. The youngsters also decorated their own Valentine box, using pink and white bows and red hearts. Games and songs will finish off the evening.

Games were also played Tuesday evening at the Lincoln's birthday party at the home. Songs and a devotional-memorial period were included in the evening's program, and decorations were Lincoln silhouettes made by the youngsters. Adding to the February festivity are the birthdays of Arnold Fraser and Virginia Hildebrand, young residents at the home.

The children have already started to make their hatchet and cherry tree decorations for Washington's birthday.

Ickes Reveals Why He Quit

"Don't Care To Stay In Administration Where I'm Expected To Commit Perjury"

ASSAILS TRUMAN IN CONFERENCE

WASHINGTON, Feb. 14.—(INS)—Secretary of the Interior Harold L. Ickes resigned Wednesday because "I don't care to stay in an administration where I'm expected to commit perjury to stay in the party."

Ickes' resignation resulted from his differences with President Truman over the nomination of Edwin W. Pauley to be undersecretary of the navy.

Makes Letter Public

The cabinet member, at a news conference, made public his blistering letter of resignation, a document almost unprecedented in the history of American politics.

He declared in the letter that President Truman had no right to declare him "mistaken" in testimony concerning Pauley, whom Ickes had accused of offering to raise \$300,000 if the government would drop a suit to assert federal title to tidelands.

Ickes at his news conference lashed repeatedly at the president's statement that he might have been "mistaken." He declared:

Should Ascertain Facts
"He should ascertain the facts. He should read the records."

Ickes declared, however, that he could "see the possibility where I would support President Truman in 1948."

He said such support would depend "on the character of his opponent."

Ickes was asked whether he referred to the president in his charge that some people expected him to commit perjury. He replied: "I didn't say that."

He told his news conference that he had shown to the president a telegram from the senate naval affairs committee asking Ickes to appear as a witness on the Pauley nomination. Ickes then said:

"Tell Truth, Of Course"
"The president read the telegram and said 'you must tell the truth of course.' I think his exact words were 'Be as gentle as possible with Ed Pauley.'"

"I said: 'I will.'"

Ickes said he believes that President Truman "is trying to give a good administration."

He said his differences with the president were confined to nominations.

Ickes in his letter of resignation said he wished to remain in office until March 31 but President Truman in accepting it made it effective Feb. 15.

HUGE DAMAGE SUIT IS ON FILE

TRENTON, N. J., Feb. 14.—(INS)—A \$100,000 damage suit, brought by Mrs. Elizabeth Ringling, widow of one of the founders of the Ringling Brothers Circus, today was on file in the New Jersey Supreme Court against a Newark meat market.

The 58-year-old woman said she had been forced to remain in bed in her Ventnor City residence since last April when she inhaled allegedly poisonous fumes leaking from a refrigerator in the store.

The court ordered the meat market and its agent, Harry Kammerman, to file an answer to the negligence charge by next Wednesday.

ALL THEY ASKED WAS AN EVEN BREAK

BUILDING a new country was no easy job. But there were men and women willing to tackle it—to turn their backs on the safe and sure way of life and their faces toward new frontiers. All they asked was an even break.

Free enterprise is another way of saying "an even break." Free enterprise is not a political catchword. It's the basic American principle of vision and personal initiative. Just give an American an even break—a chance to get ahead—and he'll go on from there.

But when government goes into business, in competition with its citizens, the American ideal of an even break is destroyed—for government in business enjoys special privileges that are denied the people.

Take the case of government-owned power systems, for example. They pay few, if any, taxes; often get money

from the U. S. Treasury at little or no interest; make up losses out of the pockets of the taxpayers.

On the other hand, America's business-managed power companies—owned and operated by millions of folks like you—are on their own. They pay their full share of taxes, and they pay fair interest on any loans.

It's a tribute to American self-reliance that tax-paying, self-supporting companies supply over 4% of the enormous amount of electricity used in this country.

The same forethought and experience which furnished electric power for a global war will assure America dependable—and cheap—electric service for a post-war world. There are still new frontiers in electric living to be opened. And business men can do the job better than bureaucrats.

New Castle High Announces 1946 Grid Schedule

Ten-Game Card Is Attractive

Faculty Manager Ralph M. Gardner Announces 1946 Games For New Castle

SIX CLASS AA GAMES LINED UP

Faculty Manager Ralph M. Gardner at New Castle high school today announced the 1946 New Castle High "Red Hurricane" football schedule of ten attractive games starting next September 6 with the strong Erie East High eleven. All of the 1946 games will be night battles. There are seven home games and three away.

New Castle annually plays one of the toughest schedules in western Pennsylvania and the 1946 card is by no means an exception. There are "no breathers" for the boys from September 6 to November 8 when they play at Warren, O., to end the season.

Six Class AA Schools

Six tough class AA schools appear on the program—Butler, Sharon, Allegheny, Farrell, Clairton and Aliquippa. Two Erie schools are back on the card for the first time in a few years with Erie East and Erie Academy both on the card. Erie Academy was the opener and Academy on October 18.

Contrary to reports last fall, New Castle has again scheduled Warren High for a two-game series, and will try to break that five-game winning streak the Presidents enjoy.

15 Regulars Are Gone

The New Castle High can vade through that tough card with the loss of 15 star performers next fall. They can rightfully be called "champions." Coach Phil Bridenbaugh faces the unpleasant task of moulding a team minus the following: Bill Walls, Sammy Flora, Buzz Pannella, Arthur Hill, Herb Stewart, Jim Casberry, George Tony, Robert Reed, Jimmy Padula, Pearson Furs, Lynn Betts, Phil Stack, Robert Post, Rich Jacobs and Jim Thomas.

Six Regulars Back

Left from the 1945 team that won eight but lost two are Gene Gribble, Walt Smith, Jimmy Abraham, Al Tate, Lou Gilmore and John DeCola from the first team, plus a wealth of reserve material.

The 1946 schedule:

- Sept. 6—Erie East at New Castle.
- Sept. 13—Butler at New Castle.
- Sept. 20—Youngstown East at New Castle.
- Sept. 27—New Castle at Sharon.
- Oct. 4—Allegheny at New Castle.
- Oct. 11—Farrell at New Castle.
- Oct. 18—Erie Academy at New Castle.
- Oct. 25—Clairton at New Castle.
- Nov. 1—New Castle at Aliquippa.
- Nov. 8—New Castle at Warren, O.
- Class AA games.

The next regular meeting will be held March 12.

Banquet To Honor Founder Of PIAA

DR. CHARLES S. DAVIS

Dr. Charles S. Davis, 81-year-old founder of the Pennsylvania Interscholastic Athletic Association, will be signally honored at the fortieth annual banquet of the Western Pennsylvania Interscholastic Athletic Association in the William Penn Hotel, Pittsburgh, Saturday, Feb. 16.

The W. P. I. A. A., organized in 1905, seven years before Doctor Davis began to organize the P. I. A. A., is composed of many schools who were among the first to enter the state-wide organization. It now has a membership of 167 schools. President Mark Funk, of Latrobe, reported in announcing plans for the gala event.

Meetings of the P. I. A. A. Board of Control and the W. P. I. A. A. District committee will be held prior to the banquet.

SECOND AGAIN TRIMS HEARTS

Score Is 46 To 36 In Game At 'Y'. Epworth Defeats First U. P., 42-31

Second U. P. basketball team has a "jinx" on the Sacred Hearts and last night demonstrated that their recent win over the undefeated Hearts was not a fluke, by trouncing the previously unbeaten second half co-leaders, 46 to 36.

Epworth defeated the First U. P. 42 to 31 in the second game, thus taking over first place in the second half standing, with no defeats to date.

Pitzer-McGary Stars

Bob Pitzer and Johnny McGary were the thorns in the side of the Hearts again with 33 points between them, the former 19, the latter 14. Joey Cooper, the Hearts' star forward, was held to six points, but Rags Genlock broke loose for 14. The Hearts led at halftime 20 to 19. In the Epworth win Fred Wimer was the star with 16 of the points as the Epworth took over first place undisputed. Zeke Wainio with eight points and "Obey" O'Brien with seven were also stars in the Epworth lineup. Rea was 14 points was best in the lineup for the losers.

Croton used an ineligible player and forfeited to the St. George Greeks in the third game, although the Crotons won the game played with a 31 to 26 count.

Flag At Stake As Bessemer Hi, Wampum Tangle

Indians Can Settle Section 20 Race By Defeating Cementers Friday Night

QUIPS ENGAGE ELLWOOD CITY

Wampum tribe medicine men are brewing a potent concoction while they await the invasion of the Bessemer high school Cementers Friday night, and if the Chiefs from the banks of the placid Beaver scalp the Cicconemen in this engagement the race is all over in Section 20.

Eager fans await this clash of the titans of the league with the championship hanging in the balance and a record crowd is assured at the Wampum floor for this outstanding race attraction.

Bessemer Must Win

Coach Bill Ciccone knows that his crew must win this one to have a mathematical chance in the race. If they can get by the Indians and then take the Mt. Jackson quint into camp, and "H" New Wilmington tops the Indians in their last game, the race will end in a tie and a play-off will be necessary.

These are rather remote mathematical musings at the best and fans who have watched this Wampum club are confident that they can surmount their next two obstacles and emerge the winners of the race. Nevertheless the Cementers haven't given up yet and still cling to the hope that this miracle will unfold and they will be in the race to the finish line.

Play At Wampum

The fact that the coming contest will be played on the Indians' floor has swung the majority of the fans to back the home team in this important clash. The Hennon Hurricane is some shakes on their own board and turned back the Shenango Wildcats last Friday there to eliminate the Nahasmen from the race.

Coach Ciccone will pit his two Aces, Donaldson and Nelson, against Marich and Cepalbo and the result should be a game loaded with fireworks. The Indians nipped the Cementers 55-45 at the Bessemer gym in their first pairing, and followers of the sport say that if they can get that away from home their chances on their own hardwood are even brighter.

Other Teams Busy

Around the circuit we find that the season is on the wane with the finish line about in sight. Shenango goes to Union for its scrap, while Mt. Jackson will entertain the East Brook Eagles in their contest.

New Wilmington steps out of the league picture for one night, taking a trek to Mercer for a contest with the Mustangs of that town. Earlier in the season the Mercer outfit hung a defeat on the Eldermen.

Elwood Plays Quips

Elwood City will open the door to the invading Allegheny Indians in their Section III battle Friday evening. This will be the initial meeting of these two schools this season as the first contest was moved ahead to February 22.

Sutherland Back Home After Coaching Team In Tokyo

Grid Battle

PITTSBURGH, Feb. 14.—(INS)—Dr. John B. (Jack) Sutherland, Pittsburgh Steelers professional football coach, was back at his desk today after a hurried trip to Tokyo.

Sutherland, whose Pacific Olympics were defeated in the finals of the All-Soldiers Pacific championship, said the trip was a "wonderful experience," but that he wished he had more time to coach his club.

He reported he had signed a serviceman fullback for the Steelers but at present he can't release the player's name.

Inter-City Golf Meeting Tonight

Will Try To Organize Golf League In Western Pennsylvania, Eastern Ohio

Tonight at 7:30 o'clock at the Youngstown "Y," a group of interested golf course owners and others will meet for the purpose of trying to organize an Inter-City Golf league this summer in western Pennsylvania and eastern Ohio. George Sawhill of the Tam-O-Shanter course at West Middlesex will have charge of the meeting.

Indications are that New Castle will be represented in the proposed league by two strong teams, one from Castle Hills and one from Sylvan Heights. Representing Castle Hills tonight will be Manager Larry Gramling and Jimmy Ludwig, with Manager Sam Heycock and one other from Sylvan Heights attending. Youngstown is entering two powerful teams in the league.

It is proposed to have an eight-team loop with six men on a team, and play 18 holes each Sunday.

The courses to be used are as follows: Castle Hills, Sylvan Heights, Tam-O-Shanter, Southern Hills, Mahoning Country club, Warren Country club and the Hubbard Municipal.

Heavyweights To Draw Big Crowd

Past History Of New Castle Boxing Shows They Always Appealed To Fans

SEVERAL COUNTY BOYS ON DOCKET

Indications point to a filled Arena Monday night, when an eight bout schedule of fistic entertainment will be served as the Evening's Event or Feast of Pynch. There are several reasons upon which to base the indications.

1—Heavyweight will appear in the main bout.

2—New Castle and Ellwood City pugilistic talent will be on display.

3—There are some new faces on the docket.

Local fans like heavyweights. Back in the days of Jimmie Dine, Tony Ross, Tom McMahon and Dan Dallas always fought in front of big crowds when they stepped out in the old laundry, coliseum or opera house.

Later, when Bill Jolly operated the bowl, it was usually packed to the rafters when Emmet Rooco, Joe Schurz, Battling Levinsky, Murray Gittles, Billy Jones and other heavies tossed punches at each other.

Good Prospect

Monday night, Sam Marshall of New Kensington, trained by Jack McDonald, will box Emil Broscoe of Warren, O. Emil, according to those who have seen him in amateur bouts, say he is the best looking heavyweight prospect hereabouts.

He moves and punches with the skill of one already who has had his professional baptism. Whether or not he can lay Marshall depends but there is one thing certain—a heavyweight bout always is either good or dull.

With Broscoe trying to get somewhere in the division which may find Louis and Billy Conn attracting a \$3,000,000 gate, one can be reasonably sure Emil and Sam will try to finish the Evening's Event with a knockout.

Other Bouts

Les Leasure, New Castle, vs. J. D. Berry, Warren, at 165.

Bill Pozzy, Ellwood City, vs. George Butts, Aliquippa, 175.

Johnny Toth, Aliquippa, vs. Henry Owens, Youngstown, at 150. Toth scored a quick kayo here. Owens fought Joe Wolf in a spectacular fight two weeks ago.

Benny Newkirk, New Castle, vs. Harry Madison, Youngstown, 147.

Chuck Gibbons, Ellwood City's "collar ad" vs. Regis Murray, New Kensington, 140.

Several other fights are being arranged and if arrangements can be made the McDonald "mosquitoes" will also appear to show how proficient in boxing young boys may become through teaching by men who know how to instruct in boxing.

Goes To Phils

JOHN WYROSTEK, former star outfielder for the Columbus team of the American Association and later a rookie with the Cardinals, has been sold to the Philadelphia Phils. Wyrostek, just out of the service, batted .385 for Columbus in 1944.

Ellwood Claws Brighton, 60-27

Dougherty Has Big Night On Lions' Floor As He Scores 31 Points In Tilt

TUBERS EXPLODE IN SECOND HALF

(Special To The News)

NEW BRIGHTON, Pa., Feb. 14.—Lions' 18-14 going into the second half of their basketball tilt here last night, the Ellwood City Wolverines erupted with 42 markers in the last two frames to bury New Brighton under a 60-27 count in a Section III clash.

The Tubers ran up their largest total of the season and reaped sweet revenge over the Lions, who nipped them earlier in the season at the Ellwood court, 28-27.

Dougherty Runs Wild

Tall Joe Dougherty of the Blue and White five had himself the best of many brilliant nights on the boards as he pumped in points for his team with machine-gun rapidity, hitting the nets for 13 field goals and five foul shots, for a grand total of 31 points. This fat total put the Ellwood ace hot on the heels of Sharon's Andy Butchko in the scoring race of the loop, with 164 to the Tiger center's 170.

Aiding the Wolverine tip-off man was Max Giovanni, who racked up eight field goals and a brace of fouls for 18 points and second place in the scoring honors for the evening.

Fight Occurs

In the opening canto the two teams were knotted up at 7-all and during the heat of the game Calderone of Ellwood and Demeter of the Lions began swinging at each other and were ejected from the contest. As things progressed into the second frame the "Wolves" scored 11 markers to the home team's seven to lead at the half-way mark.

The Tubers brought their sights to bear in the third and fourth periods, scoring 20 to New Brighton's four in the third frame and taking the final period, 22-9.

Aliquippa Next

Friday night the Wolverines will be at home to the Aliquippa Indians, while the New Brighton five awaits the invasion of the New Castle Big Reds.

Ellwood annexed the preliminary contest to sweep the evening. The score was 25-16.

Franklin Averages Defeat At Sharon

Cowmeadow Coached Machine Runs Up 38 To 35 Count Here, Fullena Outstanding Star

Ben Franklin High Patriot basketball team got revenge on Sharon Junior High yesterday at the Franklin floor 38 to 35 for the defeat handed them at Sharon, 27 to 25, recently.

The Austin Cowmeadow coached juggernaut paced by the sensational young Joe Fullena, the outstanding senior high performer in Western Pennsylvania, with 24 points, led the Patriots in the first two periods 9 to 8 and 15 to 7, to be ahead at the half 24 to 15. Both teams tallied 10 points in the third stanza, and Sharon won the final frame 10 to 4, with a strong finish, but could not overtake the inspired Franklins.

Claudia-Joseph Stars

Two other brilliant stars appeared on the Franklin horizon yesterday. Tony Claudia and Jumbo Joseph, the stellar guards, playing a great defensive game and aiding considerably in the fine victory their team achieved. Sallie and Conti also played fine ball for the East Siders.

Best in the Sharon lineup was Ishco and George, with 12 and 10 points respectively.

This was the 16th win of the year for the New Castle junior high champions, and made them 699 points in 19 games played, three of which they have lost, two to Ellwood and one at Sharon.

NEW YORK, Feb. 13.—The Notre Dame-New York University basketball game at Madison Square Garden Saturday night was a heart-breaking thing for Ned Irish and other professional promoters. There were only 16,861 seats for an event that would have sold 75,000.

Irish, the former newspaper man who made a fortune out of a dream, viewed basketball on a big time scale, viewed the phenomena of a sellout weeks in advance with all the pangs that haunt promoters and visualized the time when New York would have

Marich Leads Scoring Race In Section XX

Wampum Star Outdistancing New Wilmington's Shaffer In Scoring Totals

When we last published the "Big Ten" scoring list for county school basketball, Eddie Marich of Wampum and Clyde Shaffer of New Wilmington were neck and neck in the race, but the latest compilation of the results shows the Wampum ace with a 15-point advantage over his rival.

Butler Hennon's chief point-getter has a 254 total, while Shaffer boasts a 239 aggregate in the race.

Behind these two pace-setters the picture hasn't changed, as "Chuck" Tanner of Shenango, with 175 points, rests in third place, and "Archie" Kerr of Mt. Jackson has a lead on the fourth place slot with 163.

Capalbo Slips
Marich's running mate on the Wampum five, "Jumpin' Joe" Capalbo, has slipped from fifth place to seventh and Miller, New Wilmington, 150 points, and Nelson, Bessemer, also with 150, have sped past him.

"Handsome" Jack Badger, Shenango guard, still clings to eighth place in the standings with 125 markers, while Majors of Princeton still rests in ninth place with 124 points.

Bader of Mt. Jackson has squeezed past Donaldson of the Bessemer quint to grasp the tenth slot in the standings with an aggregate of 117.

We have lengthened the list to include all scorers who have chalked up 100 points or better so far in the season and this means that three more lads are in the fold.

Donaldson has the eleventh place niche all to himself with 115 points, followed by Mayberry of Shenango with 105 and J. Jones of Princeton

with 101. "Shorty" Madrid of Bessemer and Dave Kanagy of Wampum, both with 98 markers scored, hover just outside the charmed circle.

The complete list follows:

Player	School	Points
Marich	Wampum	254
Shaffer	New Wilmington	239
C. Tanner	Shenango	175
Kerr	Mt. Jackson	163
Miller	New Wilmington	150
Nelson	Bessemer	150
Capalbo	Wampum	144
Badger	Shenango	125
Majors	Princeton	124
Bader	Mt. Jackson	117
Donaldson	Bessemer	115
Mayberry	Shenango	105
J. Jones	Princeton	101

GAMES ARE FORFEITED
Voluntary forfeiture of five Armagh high school basketball games in which ineligible players participated was announced by Supervising Principal Ernest R. Boucher of the East Wheatfield-Armagh Joint Schools. Boucher's action was highly commended by PIAA officials who said it was a fine example of true sportsmanship. Armagh High knew it used two boys who unwittingly violated PIAA rules by participating with a team in a local church basketball league.

PITTSBURGH SCHOOLS IN
Fifteen senior high schools and 17 junior high schools in the city of Pittsburgh now are members of the PIAA. It was announced by C. L. Walsh, supervisor of boys' physical education for Pittsburgh schools and chairman of District 8 of the PIAA. The 32 schools also were enrolled in the PIAA protection fund at the same time. Walsh added, "A championship football game played last fall provided funds to pay the PIAA dues for all of these schools."

PLAN WAR MEMORIAL
A living memorial to Highspire's war dead and those who served in World War II is virtually assured. A campaign to obtain \$10,000 for a new fence and other facilities on the Highspire high school field already has succeeded past 75 per cent of the goal. Supervising Principal Harvey Nitrauer said Edgar Ester, school director, is chairman of the campaign committee.

Lone American to emerge triumphant in a U. S.-French wrestling meet overseas was Lieut. Allen Crabtree, of State College, former Penn State mat hero. His achievement brought him the "outstanding wrestler" award.

DiMaggio-Henrich Clouting Ball Hard

BALBOA, Canal Zone, Feb. 14.—(INS)—Joe DiMaggio and Tommy Henrich, slugging outfield stars of the New York Yankees before the war, have begun to get the feel of bat on ball.

They seem to be turning in the best work as power-hitters at the Yankees' early camp in the Canal Zone and showed signs of picking up where they left off before being inducted.

They put on a clouting show for Lieut. Gen. Willis D. Crittenden, commander of the Caribbean defense command, who paid the club a visit and seemed to enjoy the slugging of the Yankees as much as they did.

Bruce To Assist At Aliquippa High

BROWNSVILLE, Pa., Feb. 14.—(INS)—Earl Bruce, who recently resigned as athletic director and head football coach at Brownsville high school, Wednesday accepted the assistant coaching post at Aliquippa High.

Bruce will assist Carl Aschman with whom he played football at Washington-Jefferson college and whom he succeeded as head coach at Brownsville.

Coach Paul Campbell rates Penn State's Sam Harry one of the best wrestlers he has ever seen in college ranks.

YOUR INCOME IS VITAL

IS IT PROTECTED?

On your shoulders rests the responsibility of providing the income which takes care of food, shelter, clothing, and all the other things necessary to the life and happiness of yourself and your family.

What would happen if sickness or accident not only added to these expenses but meant a stoppage of income as well?

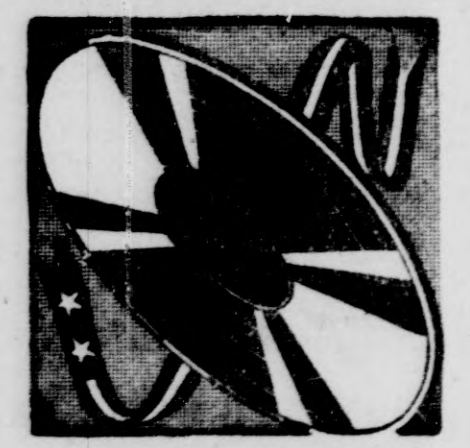

Your income is vital! Protect it—and all it means—with one of Farm Bureau's distinctive Accident and Health insurance contracts.

Kiwanis Hears Talk On Scouts

Anniversary Week Of Boy
Scouting Is Observed
With Program By
Commissioner

TELLS OF NEED SCOUTING FILLS

Dan Carroll, district Boy Scout commissioner, spoke to the New Castle Kiwanis club at its weekly noon luncheon meeting in The Castle, Wednesday, when he told the Kiwanians of the great work the Boy Scouts are doing in molding the youth of the nation into useful citizens of the future.

The boys of today are no worse than those of a decade or two ago, Mr. Carroll told the Kiwanians, only they do need guidance, and it is that function which the Boy Scout movement is fulfilling.

Scouting, he pointed out, has about everything a boy needs to round out his life.

Hitler recognized the value of training youth at a young age, and directed the thought of the Nazi youth to try to fulfill his aims. Scouting is doing the same thing, but in the right direction.

Boys are taken in as cub scouts at the age of nine and trains them through their parents or older scouts. At 11 years of age they can go into the regular scout troops, and remain there until they are 15 years of age. Boys can then enter senior scouting which offers more advanced programs, or they can still stay in their troop.

There is a need at the present time for more leaders and for more backing, which he urged the Kiwanians to fill.

John J. McCoy Receives Award

John J. McCoy of 201 Englewood avenue is possessor of a citation given him by the United States Treasury department for his efforts in selling war bonds in this city.

The citation is given under the hand and seal of Fred M. Vinson, secretary of the treasury, December 31, 1945.

As chairman of the club division in this city, Mr. McCoy directed sales of bonds through the various fraternal organizations of the community, and wishes to thank all the clubs which made his citation possible. He particularly wants to thank the Elks, Eagles and Moose clubs, whose great efforts made the bond campaign such a success in this city.

Gen. Von Paulus May Be Tried As Nazi War Criminal

NUERNBERG, Feb. 14.—(INS)—The Soviets revealed today that they will try Field Marshal Gen. Friedrich von Paulus as a war criminal as soon as all necessary evidence is gathered against him.

At the Nuernberg war crimes trial, where Paulus testified for the prosecution on Monday and Tuesday, a former spokesman for the Russians disclosed to International News Service that the former Nazi will be indicted once they consider they have sufficient evidence.

Pointing out that Paulus himself admitted on the witness stand that he felt guilty of neglect in the supervision of treatment given Russian prisoners taken in the battle for Stalingrad, the spokesman said bluntly:

"If our findings confirm his feelings, he will be indicted."

Paulus, former commander of the German sixth army in the unsuccessful siege of Stalingrad, had testified that the invasion of Russia was a "criminal assault."

The field marshal was captured by the red army after his army was decimated in that battle, turning-point of the Russian war.

Asked if his membership in the German national committee, now dissolved, would not exclude Paulus from such legal action, the Russian answered:

"Absolutely not."

Plan Careful Use Of Food Lockers For Frozen Food

Study Of Needs Will Show Most
Practical Size Unit For In-
dividual Families

STATE COLLEGE, Feb. 14.—Before buying a frozen food unit, carefully plan how you are going to use it. Only in that way can you determine the proper and most practical size, says Miss Lydia Tarrant, extension nutritionist of the Pennsylvania State college.

Some authorities have made a study of family units and say six cubic feet should be allowed for each person in the family. By planning carefully and replacing foods as they are used, Miss Tarrant reports, a six-cubic-foot locker can hold 500 to 600 pounds of food a year.

The housewife should know beforehand which foods she plans to freeze, the Penn State specialist adds. Some fruits and vegetables are bulky and not many can be stored in a cubic foot of space, while others are compact and easily preserved.

Many families, according to Miss Tarrant, are learning they can have better quality for the same amount of money and with less work when they freeze foods. Moreover, the work entailed in canning is eliminated.

Some women, on the other hand, like the services, cutting, wrapping, and freezing meats—provided by community plants. They should decide, therefore, whether they want to utilize the home locker for fruits and vegetables only, and use the community locker for bulkier foods, Miss Tarrant advises.

Rainbow Tea Rose Avenue PTA Event

High School Dramatic Club Presents
Play At School's Evening
Program

Rainbow tea sponsored by the Rose Avenue P. T. A., held in the school auditorium Tuesday evening, attracted an attendance of 150 guests who were seated at tables set throughout the auditorium. Tables were colorfully decorated with rainbows and the rainbow motif was carried throughout the program.

Budget and finance committee, the executive committee co-operated with the membership and program groups to make the evening an outstanding success. Those in charge were Mrs. Plummer Gibson, Mrs. R. W. Harris, Mrs. George Sherman, Mrs. Claire Haid, Mrs. Wimer Bair, Mrs. John Tucker, Mrs. Howard Reynolds, Mrs. Fred Thompson, Mrs. Lester Maxwell, Mrs. Clyde Hennon, Mrs. Kenneth MacDonald and Mrs. Carl Barbour. Mrs. Gibson presided.

Highlight of the evening was a three-act play presented by the dramatic club of senior high school, "Mrs. New Husband," under the direction of Miss Clara Hartsuff. Croy Pitzer, Iona Stevenson, Jean Arling, Arlene Blank, Bill McAllen, George Reid, Marshall Curran, Hadassah Krash, Florence Turner, Joan Leivo and Tom Sansone comprised the cast of characters.

Winners of a new game played at the close of the program with Mrs. Claire Haid in charge were Mrs. George H. Williams for the ladies and J. C. Arnold for the men.

"Burn, Candles, Burn," an impressive candlelight service in commemoration of Founder's Day was presented with parents and teachers participating.

Those who took part were: Parent-Teacher Ideal, Miss Genevieve Schugars; Hope, Miss Mildred Gresham; Co-operation, Mrs. Clyde Hennon; Diligence, Mrs. Kenneth MacDonald; Courage, Mrs. Carl Barbour; Wisdom, Miss Verlee Armstrong; Comradeship, Mrs. George Sherman, and six P. T. A. members, Mrs. Fred Thompson, Miss Laura Blucher, Mrs. Walter Jessel, Miss G. Gallagher, Mrs. Claire Haid, Miss T. Tillia.

Bob Mattox, with Mrs. Carl Barbour as accompanist, played a group of trumpet solos and a group of vocal solos was rendered by Mrs. Leroy Book and Mrs. Plummer Gibson, with Miss Lillian Sarver as accompanist.

Winners of four cakes in a guessing contest were Mrs. S. Bukowski, Miss Mildred Smith, Mrs. Irene Williams and Howard Reynolds.

A lunch was served at the close of the evening.

FOUR ARE KILLED IN TOLEDO CRASH

TOLEDO, O., Feb. 14.—(INS)—Four persons were killed Wednesday when a New York Central east-bound freight train crashed into an automobile at an unguarded crossing on the Lucas-Pulton county line road at nearby Swanton.

The dead were identified as Albert J. Quatman, 27, of Swanton; Cory Clark, Jr., 22; Joseph M. Malone, 22; and Burdette G. Iffland, 30, all of Metamora.

The special FBI agent said that

the suspect was arrested under the name of Frank Cherny, but that his real identification was established by his fingerprints. O'Connor said a tip that Yaddoditch was going to the library on occasion to read the Youngstown newspaper led to the arrest.

The suspect has been wanted since Dec. 30, 1938, when three men robbed the Railway Express Agency of \$35,000 at the point of revolvers and a sawed-off shotgun. Two of the robbers, Frank Chako and Nick Vukovich, were convicted and are serving sentences in the Ohio State penitentiary in Columbus.

Presenting Hawaii
Statehood Bill

WASHINGTON, Feb. 14.—(INS)—Sen. Knowland (R) Calif., introduced a bill in the senate Wednesday which would set up statehood for Hawaii.

The bill calls for the election of delegates to a convention within 60 or 90 days after the approval of the Act. It provides for a constitution and a Republican form of government that would not conflict with the Declaration of Independence.

Knowland's measure also would allow Hawaii two representatives and two senators in congress and give full religious and racial rights under public school system.
